NAAC

VISION

To make quality the defining element of higher education in India through a combination of self and external quality evaluation, promotion and sustenance initiatives.

MISSION

- ☞ To arrange for periodic assessment and accreditation of institutions of higher education or units thereof, or specific academic programmes or projects;*
- ☞ To stimulate the academic environment for promotion of quality of teaching-learning and research in higher education institutions;*
- ☞ To encourage self-evaluation, accountability, autonomy and innovations in higher education;*
- ☞ To undertake quality-related research studies, consultancy and training programmes, and*
- ☞ To collaborate with other stakeholders of higher education for quality evaluation, promotion and sustenance.*

Value Framework

To promote the following core values among the HEIs of the country:

- Contributing to National Development*
- Fostering Global Competencies among Students*
- Inculcating a Value System among Students*
- Promoting the Use of Technology*
- Quest for Excellence*

***Guidelines for the Creation of the
Internal Quality Assurance Cell (IQAC)
and Submission of Annual Quality Assurance Report (AQAR)
in Accredited Institutions***

Introduction

In pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions of higher education, the National Assessment and Accreditation Council (NAAC), Bangalore proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system and work towards realisation of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, it will channelize all efforts and measures of the institution towards promoting its holistic academic excellence.

The guidelines provided in the following pages will guide and facilitate the institution in the creation and operation of the Internal Quality Assurance Cell (IQAC). The work of the IQAC is the first step towards internalization and institutionalization of quality enhancement initiatives. Its success depends upon the sense of belongingness and participation it can inculcate in all the constituents of the institution. It will not be yet another hierarchical structure or a record-keeping exercise in the institution. It will be a facilitative and participative voluntary system/unit/organ of the institution. It has the potential to become a vehicle for ushering in quality enhancement by working out planned interventionist strategies to remove deficiencies and enhance quality like the "Quality Circles" in industries.

Objective

The primary aim of IQAC is

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

Strategies

IQAC shall evolve mechanisms and procedures for

- a) Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks;
- b) The relevance and quality of academic and research programmes;
- c) Equitable access to and affordability of academic programmes for various sections of society;

- d) Optimization and integration of modern methods of teaching and learning;
- e) The credibility of evaluation procedures;
- f) Ensuring the adequacy, maintenance and proper allocation of support structure and services;
- g) Sharing of research findings and networking with other institutions in India and abroad.

Functions

Some of the functions expected of the IQAC are:

- a) Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution;
- b) Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;
- c) Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes;
- d) Dissemination of information on various quality parameters of higher education;
- e) Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles;
- f) Documentation of the various programmes/activities leading to quality improvement;
- g) Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices;
- h) Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality;
- i) Development of Quality Culture in the institution;
- j) Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC.

Benefits

IQAC will facilitate / contribute

- a) Ensure heightened level of clarity and focus in institutional functioning towards quality enhancement;
- b) Ensure internalization of the quality culture;
- b) Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices;
- c) Provide a sound basis for decision-making to improve institutional functioning;
- d) Act as a dynamic system for quality changes in HEIs;
- e) Build an organised methodology of documentation and internal communication.

Composition of the IQAC

IQAC may be constituted in every institution under the Chairmanship of the Head of the institution with heads of important academic and administrative units and a few teachers and a few distinguished educationists and representatives of local management and stakeholders.

The composition of the IQAC may be as follows:

1. Chairperson: Head of the Institution
2. A few senior administrative officers
3. Three to eight teachers
4. One member from the Management
5. One/two nominees from local society, Students and Alumni
6. One/two nominees from Employers /Industrialists/stakeholders
7. One of the senior teachers as the coordinator/Director of the IQAC

The composition of the IQAC will depend on the size and complexity of the institution. It helps the institutions in planning and monitoring. IQAC also gives stakeholders or beneficiaries a cross-sectional participation in the institution's quality enhancement activities. The guidelines given here are only indicative and will help the institutions for quality sustenance activities.

The membership of such nominated members shall be for a period of two years. The IQAC should meet at least once in every quarter. The quorum for the meeting shall be two-third of the total number of members. The agenda, minutes and Action Taken Reports are to be documented with official signatures and maintained electronically in a retrievable format.

It is necessary for the members of the IQAC to shoulder the responsibilities of generating and promoting awareness in the institution and to devote time for working out the procedural details. While selecting these members several precautions need to be taken. A few of them are listed below:

- ♦ It is advisable to choose persons from various backgrounds who have earned respect for integrity and excellence in their teaching and research. Moreover, they should be aware of the ground realities of the institutional environment. They should be known for their commitment to improving the quality of teaching and learning.
- ♦ It would be appropriate to choose as senior administrators, persons in charge of institutional services such as library, computer center, estate, student welfare, administration, academic tasks, examination and planning and development.
- ♦ The management representative should be a person who is aware of the institution's objectives, limitations and strengths and is committed to its improvement. The local society representatives should be of high social standing and should have made significant contributions to society and in particular to education.

The role of coordinator

The role of the coordinator of the IQAC is crucial in ensuring the effective functioning of all the members. The coordinator of the IQAC may be a senior person with expertise in quality aspects. She/he may be a full-time functionary or, to start with, she/he may be a senior academic /administrator entrusted with the IQAC as an additional responsibility. Secretarial assistance may be facilitated by the administration. It is preferable that the coordinator may have sound knowledge about the computer, its various functions and usage for effective communication.

Operational Features of the IQAC

Quality assurance is a by-product of ongoing efforts to define the objectives of an institution, to have a work plan to achieve them and to specify the checks and balances to evaluate the degree to which each of the tasks is fulfilled. Hence devotion and commitment to improvement rather than mere institutional control is the basis for devising procedures and instruments for assuring quality. The right balance between the health and growth of an institution needs to be struck. The IQAC has to ensure that whatever is done in the institution for “education” is done efficiently and effectively with high standards. In order to do this, the IQAC will have to first establish procedures and modalities to collect data and information on various aspects of institutional functioning.

The coordinator of the IQAC and the secretary will have a major role in implementing these functions. The IQAC may derive major support from the already existing units and mechanisms that contribute to the functions listed above. The operational features and functions discussed so far are broad-based to facilitate institutions towards academic excellence and institutions may adapt them to their specific needs.

The institutions need to submit yearly the Annual Quality Assurance Report (AQAR) to NAAC. A functional Internal Quality Assurance Cell (IQAC) and timely submission of Annual Quality Assurance Reports (AQARs) are the Minimum Institutional Requirements (MIR) to volunteer for second, third or subsequent cycle’s accreditation. During the institutional visit the NAAC peer teams will interact with the IQACs to know the progress, functioning as well quality sustenance initiatives undertaken by them.

The Annual Quality Assurance Reports (AQAR) may be the part of the Annual Report. The AQAR shall be approved by the statutory bodies of the HEIs (such as Syndicate, Governing Council/Board) for the follow up action for necessary quality enhancement measures.

The Higher Education Institutions (HEI) shall submit the AQAR regularly to NAAC. The IQACs may create its exclusive window on its institutional website and regularly upload/report on its activities, as well as for hosting the AQAR.

The NAAC Accredited institutions need to submit only the soft copy as word file (.doc/.docx) through e-mail (capuaqar@gmail.com). The file name needs to be submitted with Track ID of the institution and College Name or EC number. For example MHCOGN16601-Samudra Arts and Science College, Taliamegu-Maharashtra.doc or EC_32_A&A_143 dated 3-5-2004-Samudra Arts and Science College, Taliamegu-Maharashtra.doc. The Higher Education Institutions need not submit the printed/hard copy to NAAC. The acknowledgements would be sent to the institutions through e-mail.

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)

Part – A

AQAR for the year (for example 2013-14)

2014-15

2.10 No. of IQAC meetings held

2.11 No. of meetings with various stakeholders: No. Faculty

Non-Teaching Staff Alumni Students

Others

2.12 Has IQAC received any funding from UGC during the year? Yes No

If yes, mention the amount

2.13 Seminars and Conferences (only quality related)

(i) No. of Seminars/Conferences/ Workshops/Symposia organized by the IQAC

Total Nos. International National State Institution

(ii) Themes

Teacher Quality Enhancement programmes, Establishing Research Culture through innovative programmes, ICT orientation sessions, Life Guidance, Personality enhancement and Soft Skill Management, Social Awareness and Proactive Measures, Quality assurance through continuous evaluation, Social Commitment, Encourage Extension Programmes, Women Empowerment and Sovereignty, Assurance of Value Added Education, Competitive Skill Development, Eco- Sensibility, Waste and Resource Management programmes, Academic upgradation programmes.

2.14 Significant Activities and contributions made by IQAC

Sl.No.	Activities
1	Organised Seminars on various career oriented and soft skill management system
2	Preparation of an academic calendar as per the proposed year plan of the various departments and assures its implementation.
3	Organise ICT Orientation Sessions
4	Conducted survey on the quality assurance and took necessary steps to sustain harmonious functioning.
5	Conducted training on Competitive exams and personality development

6	Research Paper Presentation by Faculty members.
7	Updation of College Website
8	Evaluation of teaching learning process at the end of every semester.
9	Renovation of Departments, Library and Administrative Block
10	Installation of Smart Classrooms and Audio visual classrooms for better teaching-learning perspective
11	Digital Data Filing and Transferring System
12	Office and Library automation
13	Effective 22*7 CCTV Surveillance
14	Encouraged faculty and student paper presentation outside the college
15	Supported conducting various Seminars and workshops both national and International
16	Organised value added programmes
17	Punching System established by installing bio-metric punching machine
18	Published biannual Newsletter – Assisi Petals and College Magazine Assisi Blossom
19	Conducted Annual SWOT analysis.
20	Feedback of Teaching – Learning is collected and analysed.
21	Conducted periodic meetings with faculty for quality sustenance and enhancement.
22	Conducted regular Examinations both Internal and Model for academic excellence and gave suggestions to each department for academic progress.
23	NAAC PEER TEAM visit was conducted and the supporting facilities were arranged for the smooth functioning of the observations for the three days.

2.15 Plan of Action by IQAC/Outcome

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year *

Plan of Action	Achievements
Soft skill development and Career Oriented programmes to be organised	Organised Seminars on various career oriented and soft skill management system, personality development classes etc.
Inculcating Research Culture for sustaining Quality of education	Encouraged faculty and student paper presentation outside the college
Organising National and International Seminars academic and research progress	Supported conducting various Seminars and workshops both national and international level
Assuring possibilities of employability and developing healthy competition among	Conducted training on Competitive exams and career guidance seminars

students	
Encourage Research Aptitude in Campus	Research Paper Presentation by Faculty and students organised by various departments
Support Major and Minor Projects among Faculty members	Availing of MRP's by faculty
Clean and Eco friendly Campus	Activities conducted to bring in awareness about eco sustainability and clean surroundings, health and hygiene
Developing Social Awareness and sense of responsibility among students	Classes on social awareness and commitment to be organised for promoting better citizenship.
Programmes related to self sustainability and women emancipation	Driving classes, karate, yoga, computer courses, digital training, Multimedia courses etc are organised regularly during week days.
Bridge Courses, Introductory Classes, Motivation Classes, Internal Examinations and Model Exams, peer team learning etc are organised systematically	Such programmes help in guiding the students towards academic excellence.
Life Guidance Programmes and Orientation Programmes	Guide the students towards being better humans.
Regular Counselling and guidance instituted in the college for assuring healthy intellectual condition among students	Regular counselling is provided through tutorial classes and Counselling programmes.
Promoted Registration for Ph.D and supported the faculty in applying for FDP	To inculcate Research Culture among the faculty members.

* ACTION PLAN AND ACADEMIC CALENDER ATTACHED AS ANNEXURE

2.15 Whether the AQAR was placed in statutory body: Yes No

Management Syndicate Governing Body

Any other body Staff Council

Provide the details of the action taken

Sl.No	Details of Action Plan Executed
1	BA in Multimedia self financing course was introduced
2	M.Sc Botany, M.Sc Zoology, M.Com were introduced
3	Day Care centre was rennovated
4	Comfort zone for faculty and students was instituted
5	Smart classes were introduced for better pedagogic realisation

6	Renovation of Library
7	Faculty paper presentations organised regularly
8	Students Research paper presentations conducted
9	Encouragement to avail Major and Minor research projects
10	Publication of two interdisciplinary research journals Cognitions and Investigare for disciplines of Science and Humanities
11	Support for the quantitative increase in paper presentations and publications by faculty and students
12	Increase in number of activities by Clubs and Associations
13	Encouragement in organising seminars and workshops
14	Support for conducting Exhibitions and Fairs
15	Conducting regular SWOT Analysis and meeting the needs of Faculty and Students
16	Regular Examinations conducted both internal and external for sustaining Academic quality
17	Bridge Courses, Introductory Classes, peer group learning, tutorial classes etc. are organised for students.
18	Walk with a Scholar Programme(WWS) and Student Support Programme(SSP) introduced for academic progress
19	ASAP Training programme conducted for the students for employment Possibilities while learning
20	Providing various types of endowments and awards for excellence in academic, co curricular and sports activities of the students
21	Encouraging students to attend campus recruitment programme, Seminars and workshops outside the campus

2.6 Innovative processes adopted by the institution in Teaching and Learning:

Sl. No.	Programme	Department
1	Tutorial Classes are established inorder to create a rapport between teachers and students to create a better learning experience.	All Departments

2	Introductory Classes and Bridge Courses are organised by the faculty members to evaluate the students' aptitude.	All Departments
3	Pre Knowledge tests and preparatory training is provided for students in order to provide fundamental knowledge to the new learners.	All Departments
4	Peer group learning is promoted	All Departments
5	Walk with a scholar programme is initiated	All Departments
6	Remedial coaching is given to academically weak students of all departments	All Departments
7	Brain storming sessions, debates and discussions are organised as a part of teaching process in class rooms.	All Departments
8	Industrial visits, field visits, study tours, studio visits are arranged for experimental and practical learning	All Departments
9	Organize seminars, workshops and conferences by general as well as individual departments to initiate research culture and innovative learning	All Departments
10	Seminars, assignments, projects, dissertations etc. are conducted by students to widen the scope of knowledge	All Departments
11	Contributing information regarding eco friendly atmosphere and environment responsive living	All Departments
12	Encourage the students towards resource management and waste management programmes and reuse of available resources.	All Departments
13	Suggest and implement remedial methods after systematic evaluation of the academic performance of students.	All Departments
14	ICT enabled teaching learning methods, use of Smart boards and PPT etc. are introduced to lead the students towards virtual realisation in knowledge acquirement.	All Departments
15	Student mentoring and counselling is provided by experts	All Departments
16	periodic evaluation of the academic performance of the students are evaluated through Surprise tests, frequent test papers, distribution of corrected papers and discussion for an improved performance is conducted.	All Departments

17	Enrichment programmes for advanced learners and motivation classes for average learners are organised	All Departments
18	General PTA and Class PTA meetings are conducted in every semester for better learning pattern.	All Departments
19	Notes, through web	Chemistry
20	Net coaching through electronic method	Chemistry
21	Identification of Butterflies visiting the butterfly garden by students	Zoology
22	Faunal diversity Register	Zoology
23	Animal Planet- Finding the Scientific name	Zoology
24	Glossary in Life Sciences	Zoology
25	Scientia- Current Information Corner	Zoology
26	Animal Planet- Finding the Scientific name	Zoology

2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes :

Sl.No.	CONTRIBUTIONS OF IQAC
1	The basic tools of academic evaluation in each semester is assessed by Tests -2 credits, Assignment -1 credit, Seminar -1 credit, Attendance -1 credit
2	Student participation in academic/ value added /community extension activities as well as value education classes are evaluated.
3	Methods like initial tutorial sessions, Pre Knowledge Test class test and interactive sessions, Feed back mechanisms, Peer teaching, Assignments and Seminar presentations by students, Quiz Competitions in various disciplines etc. Are put forth to evaluate the teaching learning process. Communicative skills, computer application skills orientation are conducted accordingly by the departments related to their respective subjects.

4	Additional resources are availed through the exposure given to the students by their participation in seminars, workshops, conferences, inter collegiate Quiz Competitions, power point presentations and other proficiency improving programmes organised by other institutions.
5	Library provisions are provided with latest subject reference books, journals, books on competitive exams and career oriented programmes, INFLIBNET, e-journals etc.
6	The Departments initiate with student supportive Programmes like remedial teaching which is availed by the students from economically backward /SC/ST/OBC/Minority strata.
7	The departments provide essential reference materials of advanced topics.
8	Awards and scholarships have been instituted by the College, well-wishers and Departments for encouraging and motivating such students to excel in curricular and co- curricular activities.
9	Organizes expert lectures and invited talks of eminent personalities
10	Publication of best projects in the departmental journal
11	Give opportunity to participate in on campus and off campus interviews
12	Help them to access appropriate web links and learning assisted videos.
13	They are provided with many opportunities of higher education or placement benefits under career guidance cell of the college.
14	The students of Multimedia attend national and international film festival, visit T V channels and studios.
15	The departments have formed self study groups with a strategy of “Teach while you learn” to effectively channelize the learning skills of advanced learners for the growth of the peer group.
16	The internal marks of the model internal examination is published and the progress reports of the students are duly signed by the guardian of the student.
17	During the class PTA and general PTA the parents meet the tutors and other teachers to analyze their ward’s performance and progress.
18	The department enhances the research aptitude of the students by organising research forum and debate club
19	A thorough survey of students’ response to the existing curriculum and students’ feedback system is well maintained.

20	Based on the analysis of the performance special mentoring and remedial schedules are arranged
21	Simple exercises, small learning modules and tests are given to improve their learning efficiency.
22	Faculty –student council is arranged to interact on academic and non-academic issues
23	Teachers visit the homes of students for the follow up of the learning at home.
24	The tutor in charge keeps the attendance register of the students and submits to the office when asked for verification as per the CBCSS system attendance is also graded in every semester. .
25	IQAC prepares an academic calendar as per the proposed year plan of the various departments and assures its implementation.
26	Organises ICT orientation sessions.
27	Mentor tutorial activities and promotes student home visits by the faculty.
28	Under the career guidance cell career oriented Programmes are organised.
29	At the end of every academic year the feedback on the teaching and learning process is Evaluated and Conducts annual SWOT analysis.
30	Conducts periodic meetings with the head of the departments to discuss the quality sustenance and enhancement.
31	Always follow the timely instructions and directives of University, Higher Education council, NAAC and UGC.
32	Interdepartmental paper presentations by faculty members are held every month for dissemination of interdisciplinary research.
33	Conducts many value added Programmes for students.
34	LCD Projector and computers with internet facilities
35	Projection of learning materials with inserted video clippings, colourful photographs and graphs reduces the monotony of lecture and increases the attention span of students. Teachers promote students to use computers with Internet facilities for citing many research articles while writing dissertations as well as to prepare notes, assignments and seminars and paper presentations.
36	Science labs and language labs activities are devised to promote hands on independent exposure and interactive learning.
37	The class representatives act as catalysts for peer group learning process.

38	The infrastructure is constantly upgraded to meet the growing academic needs of the students.
39	Teachers actively take part in seminars, workshops and other training Programmes to equip themselves with advanced knowledge for the advantage of the students.
40	The peaceful and calm ambience in the campus conducive for the effective Implementation of curricular and co-curricular activities of the students.
41	Student Grievance Redressal Cell provides avenues for suggestion and improvement to make the campus student friendly.
42	Equipments and books procured through various projects
43	Organizes expert lectures and invited talks of eminent personalities
44	Retired and Old Staff Association (ROSA) members often visit respective departments, interact with new staff members and give necessary counsel and guidance.

2.13 Initiatives undertaken towards faculty development

Faculty / Staff Development Programmes	Name of Faculty and Details
Refresher courses	1.Dr. Sreeranjini K. , Asst. Professor, Dept. of Botany attended Refresher course in life sciences at University of Calicut from 04.07.2014 to 24.07.2014
UGC – Faculty Improvement Programme	Nil
HRD programmes	Nil
Orientation programmes	1.Ms. Dary John attended 86 th Orientation Programme Organised By UGC-Academic Staff College, University Of Calicut From 17.09.2014-16.10.2014
	2.Sobhitha Joy-- 27-06 2014-27-04-2014,Karyavattam Campus,Kerala University
Faculty exchange programme	Nil
Staff training conducted by the university	Nil

Staff training conducted by other institutions	1.Jessy Anto Therattle, “scholarly Communications in the Digital Environment conducted by Research Promotion Council,CMS College, Kottayam , June 2014.
	2.Fathima P.A(Zoology) Training on Youth Leadership and Community Development by Nehru Yuva Kendra Thrissur
	3. Smt. Moly P.P, water quality analysis training programme, CWRDM Kunnamangalam Kozhikode,11,12,13 /08/2014
	4.Lovely Jacob A,” Hands –on experience on SPSS Package”, 7-8 may 2014,Christ University, Bangalore
Summer / Winter schools, Workshops, etc.	WORKSHOP – 1 (Sr.J. Bincy & Jeena Mariot Xavier)
Others	1. Dr.Molykutty .M . Kaniampady, “Recent trends in higher education” at St.Mary’s College, Thrissur on 26/09/2014
	2.Dr. Lali Thomas Kotturan,“Recent trends in higher education” at St.Mary’s College, Thrissur on 26/09/2014
	3.Dr. Thanuja A Mathew attended Nature camp organized by Kerala forests and Wild Life Dept at Munnar at Eravikulam National Park
	4.Mrs Jilna Alex N attended Nature camp organized by Kerala forests and Wild Life Dept at Munnar at Eravikulam National Park
	5.Mr.Justin P G Attended One Day Academic Orientation Of Sanskrit Faculty Members of all the Colleges of Calicut Uty
	6. Sr. Molikutty M. Kaniyampadi, Asso. Professor, Dept. of Chemistry , attended “Recent trends in higher education” at St.Mary’s College, Thrissur on 26/09/2014

	7. Ms.Julie Dominic.A, Asst. Professor, Dept. of English , attended “Recent trends in higher education” at St.Mary’s College, Thrissur on 26/09/2014
	8.Ms.Esther Mani, Asst. Professor, Dept. of English , attended “Recent trends in higher education” at St.Mary’s College, Thrissur on 26/09/2014
	9.Ms.Swapana Johny, Asst. Professor, Dept. of Zoology , attended “Recent trends in higher education” at St.Mary’s College, Thrissur on 26/09/2014
	10.Ms.Alphy Jose, Asst. Professor, Dept. of Mathematics , attended “Recent trends in higher education” at St.Mary’s College, Thrissur on 26/09/2014
	11.Ms.Lali Thomas, Asso. Professor, Dept. of Chemistry , attended “Recent trends in higher education” at St.Mary’s College, Thrissur on 26/09/2014
	12. Ms.Jaya MD, Nidhisha VJ, Jiji C Baby – participated in Orientation programme conducted by Thrissur Asissi Province.

2.14 Details of Administrative and Technical staff

Category	Number of Permanent Employees	Number of Vacant Positions	Number of permanent positions filled during the Year	Number of positions filled temporarily
Administrative Staff	20	3	-	3
Technical Staff	-	1	-	1

Criterion – III

3. Research, Consultancy and Extension

3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution

Sl. No	Activities	Department
1	The faculty is encouraged to hold National and International Seminars in their respective disciplines at the College availing the funds of various agencies.	All Departments
2	Encouraged to take up Major and Minor projects and M.Phil/Ph.D.	All Departments
3	Encouraged to attend and present papers at various seminars and workshops held at other institutions.	All Departments
4	Encouraged to attend orientation / refresher courses organized by the university.	All Departments
5	Paper publications by the faculty and Students are boosted.	All Departments
6	Experts from other institution are invited to provide classes to the faculty especially on modernized teaching methods including use of ICT	All Departments
7	Each of the faculty members is encouraged to present a paper of his or her own choice in front of the other faculty .This helps in enhancing the inter disciplinary competence of the faculty.	All Departments
8	The non-teaching staff is periodically given counselling and training classes to improve their performance in Library, Science and Computer Labs.	All Departments
9	All final year PG and UG students are doing projects as a part of their curriculum in and outside of college, in collaboration with other institutions Department has published the projects of our students named “Chemlittle Unified Projects”	Chemistry
10	Formation of Research Club comprising two faculty and 10 students	History

	<p>Lecture series</p> <p>Manuscript publication – Historia – 01.11. 2014</p> <p>Publication of Journal</p> <p>Conducting debates, workshops, symposium, seminar</p>	
11	<p>Research Journal-Malayalameesha</p> <p>One Day Seminars On Research Methodology</p> <p>One Day Seminars On Cultural Studies</p> <p>Students Projects For P G Students</p> <p>Seminars And Assignments For U G & P G</p> <p>Manuscripts of P G & U G Malayalam</p>	Malayalam
12	<p>Decided to attend at least one seminar of repute in a year</p> <p>Conducted intercollegiate paper presentation competition and decided to continue the same every year to promote research culture among the students</p>	B CA
13	<p>Tissue culture & Microbiology laboartory was set up</p> <p>Final year students are given microbiology related project works as part of the curriculum</p> <p>A regional seminar on “Nutraceuticals” was conducted by the department on 03.12. 2014</p>	Botany
14	<p>The department maintains a research forum, with interactive sessions like; debate club, paper presentations and various other programmes.</p> <p>We encourage our students to attend and present papers in seminars organised by the departments in the college and other colleges.</p> <p>Our students are encouraged to avail external resources by motivating them to attend inter-collegiate quiz and other proficiency development programmes.</p>	Functional English
15	<p>Training students to research the details of the topics from internet</p>	Multimedia
16	<p>One of the faculty members Ms. Anne Jose M. doing a minor project and Ms.Laly A.S. submitted a proposal for minor project</p>	Physics

17	ECONOMIC FORUM- a forum of research discussion of faculty & students of dept of Economics	Economics
18	Releasing of Manuscript magazines “Ganitha dalangal” 4 of our Faculty members are doing Minor research projects and 2 of our Faculty members pursuing Ph.D Student participation in Quiz competitions & Seminars in and out side the college	Mathematics
19	Publication of two interdisciplinary journals Humanities and Arts Journal – <i>COGNITIONS</i> and Science Journal– <i>INVESTIGARE</i>	All Departments

3.2 Details regarding major projects

	Completed	Ongoing	Sanctioned	Submitted
Number	1	-	-	-
Outlay in Rs. Lakhs	6,75,800/-			

Major Research Project

Sl. No	Name of Faculty	Topic	Funding Agency	Period
1	Dr. Thresiamma Dominic M, Reader (English)	From Effective Communicators to World Leaders: An In depth Study of Communicative Levels of the College Students of Kerala with Suggestions to Improve the Situation.	UGC	2010-2012

3.3 Details regarding minor projects

	Completed	Ongoing	Sanctioned	Submitted
Number	7	21	3	-
Outlay in Rs. Lakhs	5,41,535/-	2238000/-		

Minor research projects

Sl. No	Name of faculty	Topic	Dept.	Funding Agency	Period
1	Dr.Sophy Jacob	Comparative Analysis of the Psychological Profiles of Female Employees on their Athletic Background	Physical education	UGC	2009-11
2	Dr. Sr. Molykutty M. Kaniampady	Biochemical studies on spilanthus calva and its medicinal application	Chemistry	UGC	2011-13
3	Ms.Haisel Mathew	Characterization and conductivity studies of polyaniline-carbon nanotube composite with different dopants	Physics	UGC	2011-13
4	Dr.Mariam Antony	Study on generalised exponential distribution	Mathematics	UGC	2011-13
5	Dr. Anto Florance P	Portugese, Syrian & Kerala Elements in the Church Architecture of Kerala	History	UGC	2011-13
6	Ms. Swapana Johny	Ichthyofaunal diversity of Kole wetlands of Kerala	Zoology	UGC	2011-13
7	Sr. Valsa M. A.	Historical Importance of Megalithic Monuments in Thrissur District	History	UGC	2011-13
8	Dr. Nirmala J.	A Comparative Study of Dalith Poetry in Hindi and Malayalam Languages	Hindi	UGC	2012-14
9	Ms. Esther Mani	Socio-cultural changes through women empowerment- a rural scenario	English	UGC	2012-14

10	Ms. Julie Dominic .A	Ecological pertinence on the psycho social contour of young learners; transcending rural and urban domain	English	UGC	2012-14
11	Ms. Reely Raphael	The representation of women in social and ethnic relationship in the context of globalisation	English	UGC	2012-14
12	Dr. Leena M A	A study about socio cultural aspects in Folklore arts Folk songs of Christian Community of Central Kerala	Malayalam	UGC	2012-14
13	Ms. Annam Sini A P	Influence of folk and tribe culture in modern creative arts in Kerala	Malayalam	UGC	2012-14
14	Ms.Sobitha Joy	Semiosis of adaptation re-visiting culture in post modern theatre	Malayalam	UGC	2012-14
15	Sr.Vineetha George	The Impact of Mural Paintings on Christian Art in Kerala	Malayalam	UGC	2012-14
16	Dr.Laly Thomas	Phytochemical studies of transaction metal complexes of dimedonebis (thiosemicarbazone)	Chemistry	UGC	2012-14
17	Ms. Jessy Anto	Nano composites - study on the property enhancement of natural rubber , carbon nanotube composites with ionic liquid as compatibilizer	Chemistry	UGC	2012-14
18	Ms.Viji A.M.	The Laplacian Spectrum of Graphs & Study of Inverse Eigen Value Problems	Mathematics	UGC	2012-14

19	Ms. Silpa Anand S	Confronting Cultural Erasure: Reinstating The Lost Into The Psyche Of Kerala	English	UGC	2013-15
20	Ms. Shaijy Muringathery	An analysis on the history and evolution of Kuthiyottom a traditional visual performing arts of Kerala	Malayalam	UGC	2013-15
21	Ms. Anne Jose	Synthesis and characterisation of polythiophene- carbon NanoTube composites	Physics	UGC	2013-15
22	Ms. Rose Paul	Finding the Propellant optimal Trajectory on Lunar Pinpoint soft Landing Using Conventional Non Linear Programming Algorithm	Mathematics	UGC	2013-15
23	Ms. Anju S. Mattom	Study of Homomorphism and Factor group of Fuzzy soft Group	Mathematics	UGC	2013-15
24	Ms. Dary John	Studies on algebraic properties of fuzzy soft set in ring structure	Mathematics	UGC	2014-16
25	Ms. Alphy Jose	Study on structure properties of M-Fuzzy groups and fuzzy G-modules	Mathematics	UGC	2014-16
26	Dr. Thanuja Mathew	Studies on the effect of pyriproxyfen a juvenile hormone against on the ultra structure of accessory sex glands of the pupae of male <i>Spodoptera mauritia</i> .	Zoology	UGC	2013-15
27	Ms. Sithara K. Urumbil	Phytochemical screening and antibacterial studies in <i>Solanum capsicoides</i>	Botany	UGC	2014-16

28	Sr.J.Bincy	Casual nexus between power consumption and per capita GDP in Kerala and its Policy Implications	Economics	UGC	2013-15
29	Dr.Mariam ma Antony	Study on Mittag Leffler Distributions	Statistics	UGC	2015-17
30.	Sr Teresa J Heloise	Affirmative Intervention of Orphanages in Nation Building.	English	UGC	2015-17
31	Dr. Sr. Molykutty M. Kaniampady	Biochemical studies of strychnos nux vomica and its medicinal application	Chemistry	UGC	2015-17

3.4 Details on research publications

International Research publications: 4

	Sl.No	Name of Faculty & Departments	Topic	Book / Journal	Date / Month
Peer reviewed	1	Ms.Jilna Alex N. (Zoology)	Heterospecific familiarity on the shoaling preferences of <i>Puntius sarana subnasutus</i>	Journal of experimental zoology, India, Vol. 17, No. 2, ISSN: 0972-0030 eISSN:0976-1780	July, 2014

Smart Classrooms	SmartBoards and projectors mounted in all Departments.
Newly Added	BCA Lab.

4.5 Computer, Internet access, training to teachers and students and any other programme for technology upgradation (Networking, e-Governance etc.)

Sl.No	Programmes For Technology Upgradation
1	The College provides internet facilities to all the Departments. Free Internet and Browsing facilities are available for both Teachers and students at the Internet Cafe, Net work resource Centre and at the e.library.
2	At the Institutional level, the students are encouraged to make maximum utilisation of technology in the preparation of projects, seminars, presentations and assignments.
3	They are also encouraged to make use of smart boards available in their department seminar halls for power point presentations.
4	A full time computer centre is functioning in the College which can be maximum utilised by the faculty and students for learning various computer courses.
5	The women of the locality are also given an ambience towards IT Education. Students browse internet to access journal archives and collect study materials.
6	e- text is also made available
7	All departments are provided with one smart class room. An open course on Information Technology is offered by the Departments to enhance technological competence.
8	IT facilities in all Departments are upgraded as per the requirements.
9	Each Department has sufficient number of Computers and Laptops in order to equip both the faculty and students to equip themselves towards Technical Education in this fast growing technical epoch.
10	The Online Public Access Catalogue (OPAC) is provided to the users of library in a separate computer placed near the circulation Counter.
11	Library processes have been automated for more than eight years with the library management software Book Magic 5.0 Software.
12	The N-LIST Programme of the INFLIBNET centre at the college library provides 6000 e-journals and 97000 e-books.
13	Books, journals and other materials can be photocopied at normal charge. Print outs are also provided. Reprographic service helps to preserve the documents and prevent the loss or mishandling of books.

14	Current information is displayed on the Digital Board. Important information is put up separately on the notice board at the entrance of the library
15	A small In house collection of e-resources like CD is available. For remote access internet search facility is also provided.

4.6 Amount spent on maintenance in lakhs :

i) ICT	2,13,664
ii) Campus Infrastructure and facilities	96,32,353
iii) Equipments	6,62,626
iv) Others	70,95,064
Total :	1,76,03,707

CRITERION – V

5. STUDENT SUPPORT AND PROGRESSION

5.1 Contribution of IQAC in enhancing awareness about Student Support Services

IQAC discusses the various needs of the students and take necessary actions to fulfil the same. IQAC collects the feedback by arranging Faculty-Student Council interaction on academic and non-academic issues and gauge student reaction.

Major student support mechanisms are:

- ICT enabled Teaching, Student centric Innovative pedagogic methodology, Infrastructure development, additions to resources like library, e-journal subscription, INFLIBNET, e.lab, Department reading corners, Smart class rooms.
- Creative Activities and innovative inteactions by 42 Clubs and Associations actively prevail in the campus with 100% student mentoring and moulding.
- Promotion of research by conducting Seminars, Projects, Paper presentations by students, research journals, compilation of Research papers and Projects, wall magazines, hand written magazines etc.
- Co-curricular activities - Literary Competition, Quiz competitions, , Anusmaranangal,Sahrudaya.com,Vayanolsavam,Vyazhavattam Arts Festival, Annual Sports Meet, Participation in D-Zone, Inter-Zone Competitions
- Community Extension Activities- activities of NSS, NCC, L.F Palliative unit, Nature Club, Assisi Social Centre, Victory Centre, Health and Fitness Club, Homeopathic Clinic, Day Care Centre, Computer Centre etc.
- Tutorial and mentoring, student home visit by the faculty, Student Welfare Association, Grievance and Redressal Cell, Women Cell, Christian Activities, celebration of significant days etc. help in the healthy moulding of the students.

5.2 Efforts made by the institution for tracking the progression

Sl.No	Programmes Initiated
1	Entry level PKT
2	Internal exams
3	Remedial classes for weak students
4	Quiz competitions
5	Tutorial sessions
6	Teacher guardian
7	Teacher at home
8	Student support programme
9	Walk with a Scholar
10	Teaching While Learning
11	Peer Group Teaching
12	Parents meet and Personal meeting with students
13	Internal tests and Surprise tests
14	Seminars, and Assignments
15	Power point presentation competitions
16	Exhibitions and Quiz competitions
17	Personal attention of faculty to all students
18	Slow learners are identified first through the marks obtained in the qualifying examination and then by conducting evaluative pre- examinations
19	Debates and Discussions
20	Counselling by experts
21	Career Oriented Programmes on every Tuesdays.
22	Workshops and classes on Personality Development
23	Communication Skills Orientation Programmes
24	Visit to Industrial areas
25	Co-ordination with prospective external agencies/ Industries/companies
26	Coaching class for students for various competitive tests such as bank Tests, KPSC, etc
27	NET/SET coaching Classes

28	Interior Decoration training Classes
29	Human Rights Classes
30	Legal Literacy Classes
31	Driving Classes
32	Traditional Kerala Drumming Classes
33	Yoga & Karate classes

18	18.10.2014	30 NSS volunteers went to Thrissur Mental Hospital for one day charitable work.	NSS
19	20.10.2014	NSS volunteers visited the adopted village ward-33 and cleaned the road .	NSS
20	18.12.2014	Volunteers celebrate Christmas with the inmates of the differently abled women, victory centre. The volunteers conducted cultural programmes and handed over gifts and a box full of stationery items to the inmates.	NSS

21	02.03.2015	We arranged a blood donation camp on 2nd March in association with IMA Thrissur. More than 65 students including our volunteers and 8 staff donated blood and blood group detection camp was also conducted.	NSS
----	------------	--	-----

SOCIAL INITIATIVES UNDERTAKEN BY OTHER DEPARTMENTS

1	Visit to Thanal – Mental Rehabilitation Centre, Rajah Hospital, Chavakkad	Value added Community extension	Zoology
2	Cleaning at KSRTC stand, Guruvayoor as a part of ‘Swach Bharath Abhyan’	Value added Community extension	Zoology
3	Collected materials from students and staff of the dept. contributed to Mathrusadanam as part of Christmas celebration	Community extension	Zoology
4	Tree plantation at Santhitheeram,Chavakkad 05/06/2014	Community extension	History
5	Visit to Sandeepani Mathrubhavan, Mammiyoor On 20-06-2014	Community Extension	History
6	Observance of Anti Narcotic Day- Anti Narcotic Campaign at Adopted Village- Mooppen Colony(Ward-16 of Guruvayoor Municipality) on 25-06-2014	Value Oriented Extension	History
7	Visit to Dementia Care Centre,Kottappady on 15/08/2014	Community Extension	History
8	Visit to Old Age Home, Kottappady on 15/08/2014	Community Extension	History
9	Socio-Economic Health Survey at Mooppen Colony On 19/09/2014	Community Extension	History
10	Swach Bharath Abiyan- Cleaned The Roads On 02/10/2014	Community Extension	History
11	Philately Exhibition in collaboration with Dept. of Zoology and Dept. of Politics on 12/10/2014	Academic Extension	History
12	Value Education to students of Matha HSS Mannampetta ,Sr.Valsa.M.A	Value Oriented Extension	History
13	Cleaned The Roads Of Mooppen Colony	Community Extension	History
14	Visit to Amala Cancer Research Medical College- Palliative Ward on 20/11/2014	Community Extension	History
15	Visit to Amala Cresearch Medical College-Cancer Ward on 20/11/2014	Community Extension	History
16	Visit To Pope Paul Mercy Home,Athani,Peringandoor	Community Extension	History

17	Visit To Pope Paul Peace Home, Athani, Peringandoor	Community Extension	History
18	Adopted a house in kottapadi with three old women with health problems. Students of chemistry department frequently visit them and help them to bath and clean their house .	Value oriented Extension	Chemistry
19	28.06.2014-Free tuition to the students of Vijayamatha Eng. Medium school, Ponnani by our faculty member Sr. Reena P D & students	Community extension	Mathematics
20	Cleaned the premises of agathimandiram in connection with swach bharat abhiyaan by students	Extra curricular	Botany
21	Visited inmates of Agathimandiram & Developed vegetable garden in the premises	Extra Curricular & value-oriented	Botany
22	Visited old age home – Sandheepani	Value-oriented	Commerce
23	Visited Agathimandhiram Guruvayoor.	Value-oriented	Commerce
24	Saathiya.	Community extension programme	Functional English
25	MaD FE: Make a Difference	Community extension programme	Functional English
26	Plastic Removal from the campus by Bhoomithra club Members	Value added	Bhoomithra
27	NSS Volunteers went to Santhitheeram at Chavakkad and planted seedlings there in collaboration with Chavakkad Municipality and Harithasree project of Kerala Forest Department	Community extension	NSS
28	Preparation of seedlings& planting them in various parts of the campus by the Bhoomithrasena club members & NCC members	Community extension	Bhoomihtra Club & NCC
29	Visit To Dementia Care Centre, Kottappady	Social Orientation	L F Palliative Care
30	Visit to Sandeepani Mathrusadanam, Mammiyoor	Social Extension	L F Palliative care
31	Visit to Thanal – Mental Rehabilitation Centre, Rajah Hospital, Chavakkad	Social Extension	ZOEA, Physics
32	As a part of Swatch Bharat Project on NSS volunteers visited the adopted village ward-33 and cleaned the road.	Social Extension	NSS
33	NSS volunteers took part in the Christmas celebration at the Dementia centre Kottapadi with the inmates of Tropical Health	Community extension	NSS

	Foundation, Kunnankulam on		
34	Collected materials from students and staff of the dept contributed to old age home	Community extension	ZOEA
35	Visit to adopted area-help to old aged lady	Community extension	L F palliative care

5.13 Major grievances of students (if any) redressed:

Sl.No:	Grievances	Solution	Department
1.	Inconveniencece About Line Bus	Faculty Helped The Students To Stop The Bus.	History
2	Lack of sufficient number of fans in the class room	Informed principal and took necessary arrangements	Zoology
3	No sufficient place for propel disposal of waste	Informed principal and the college provided separate bins for degradable and non degradable wastes	Zoology
4	Financial problems	Help from faculty, Department and Peer group	Zoology
5	Family and Health issues	Consulted during the tutorial hours and suggested necessary remedies	Zoology

CRITERION – VI

6. GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 State the Vision and Mission of the institution

VISION	Be a Centre for Excellence in education; scientific-technological and communicative caliber; moral -spiritual and eco-centric values.
MISSION	Strive for a wise, humane, righteous, perfect world of empowered women with Little Flower Values.

6.2 Does the Institution has a management Information System

- The annual College report is presented by the Principal to the community on the College Day
- The College report is published in the College magazine
- The College newsletter, 'Assisi Petals' released termly highlights the College activities and current events.
- The important events at the College are made known through News Papers.
- The PTWA and Alumnae gatherings held periodically form platforms for the dissemination of information.
- Feedback generated through various channels are meticulously reviewed and presented to the top management, student council and PTWA for Consideration and further action.
- Transparency in annual report presentation at PTA and general body meetings.
- Regular report presentation in general staff meetings and staff council meetings.
- Website updating conducted regularly
- Report presentation on the college day for the public
- Submission of MHRD Report to the HRD of Govt. of India
- Updation of events in College Website

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development

- Curriculum pattern is designed by the University
- Suggestions for improving the Curriculum is specified to Board of Studies
- Launched newly designed PG Course in Multimedia
- Revised syllabus for UG Programme
- Innovative approaches undertaken for implementing the Curriculum

6.3.2 Teaching and Learning

- ICT enabled teaching, internal evaluation, remedial coaching, tutorial sessions, Class Tests, Class diary by students and Teacher's diary by faculty, seminars, assignments, Regular practicals, student-teacher interactions
- Advanced Audio-Visual techniques and Smart Boards are used to supplement the conventional classroom teaching
- Research oriented programmes like research paper presentation for students, research projects, Research forum, discussions, debates, manuscript magazines, field trip and study tours are introduced
- Major & Minor Research projects for faculty, Projects for students, paper presentations inside and outside the college and publications by faculty and students are promoted

6.3.3 Examination and Evaluation

- Continuous Internal evaluation systems
- Slip tests
- Previous Knowledge Test (PKT)
- Quiz programmes
- Practical examinations
- Internal & external examinations
- Projects
- Seminars
- Assignments
- Viva-voce
- Maintain Parents –Teacher –Student rapport as a means of evaluative process

6.3.4 Research and Development

- UGC Sponsored National and International Seminars
- Major and Minor Research Projects undertaken by the faculty under University and UGC guidelines
- Faculty is encouraged to go on FDP
- Paper presentations and publications are made on large scale by the faculty
- A number of faculty members function as Research Guides
- Extension lectures are delivered by faculty members
- Research articles are published by the faculty
- Inter disciplinary Research journals *Investigare* of Science Discipline and *Cognitions* of Arts and Humanities are published.
- Research aptitude of the students are encouraged through research oriented activities like Research Clubs, Debate clubs etc.
- Projects for UG and PG Programmes are introduced as part of the curriculum.
- Student Project compilation implemented by various Departments

- Research publications by faculty
- Participation in workshop & seminars
- Organizing seminars
- Workshop and orientation classes for staff and students
- Visits to Research Institutes
- Well maintained Library with inter disciplinary books
- ICT enabled Library with INFLIBNET
- Computer labs
- Major & Minor research projects for faculty
- Faculty encouraged to undertake FDP for M.Phil, Ph.D, Post-Doctoral.
- Inter disciplinary Research Journals *Cognitions* and *Investigare* published
- Research Forum for students and faculty
- Inter University, Inter Collegiate and Inter departmental Paper presentation competitions.

6.3.5 Library, ICT and physical infrastructure / instrumentation

- Library committee purchases books as suggested by staff and students
- Automated library & e-library
- Network resource centre
- Computer centre, Multimedia Lab , Studio suite, Shooting Floor
- ICT enabled Interactive class rooms & ICT enabled Departments
- Automated Administration
- Instrumentation room attached to science labs & Biotechnology Lab
- Science Museum and Heritage Museum
- Reading & research Room for faculty
- Rejuvenation of LFRC (Little Flower Research Centre)
- Smart board installation
- Digital Data Filing System
- Punching
- Synergia/e-notice board
- CCTV Cameras
- Online Data Transfer
- Website
- Institutional mail id for all members of staff

6.3.6 Human Resource Management

- On campus single residence facility for women staff.
- Advance payment of salary for guest faculty and management appointed staff on request.
- Reservation of seats for children and wards of the faculty under management Quota.
- Canteen and Physical fitness facilities.

- On campus medical consultation facility.
- Free use of College infrastructure for research purpose.
- Financial help given from the management fund for emergency requirements.
- Financial help given for construction of houses for non-teaching staff.
- Financial aid provided for treatment.
- Visits of faculty members during special occasions.
- Student support mechanism
- Extension Services
- ROSA
- SWA
- FWA

6.3.7 Faculty and Staff recruitment

- Notified through newspapers and Appointment is conducted according to the University rules in respective of reservation and qualification.
- The appointment of Assistant Professor on Contract is also conducted through Newspaper Notification and appointed accordingly as per the University rules regarding qualification and experience.

6.3.8 Industry Interaction / Collaboration

- The College promotes collaboration with various funding agencies, research institute etc.
- Seminars and workshops are conducted effectively as a collaborative attempt
- Research Projects are accomplished through interactions and guidance of Collaborative agencies

The College, through its various Departments maintain contacts with industries and Students interact with industries for the fulfillment of their academic projects.

INDUSTRIAL INTERACTIONS OF DEPARTMENTS		
DTPC,	Archeological survey of India,	Kerala Mathematical Association

6.3.9 Admission of Students

- Online merit admission introduced by the University
- PG Admission is conducted according to the norms of the University
- Management & Community Quota admissions are executed fairly by the College Admission Committee.

6.4 Welfare schemes for

Teaching	√
Non teaching	√
Students	√

6.5 Total corpus fund generated

-

6.6 Whether annual financial audit has been done Yes No

6.7 Whether Academic and Administrative Audit (AAA) has been done?

Audit Type	External		Internal	
	Yes/No	Agency	Yes/No	Authority
Academic	yes		√	
Administrative	Yes		yes	

6.8 Does the University/ Autonomous College declares results within 30 days?

For UG Programmes Yes No

For PG Programmes Yes No

6.9 What efforts are made by the University/ Autonomous College for Examination Reforms?

- Change in evaluation mode& Question Patterns
- Centralized Valuations Camps
- Internal & External Examinations
- Common valuation schemes set by the University
- Model Examination

6.10 What efforts are made by the University to promote autonomy in the affiliated/ constituent colleges?

NA

6.11 Activities and support from the Alumni Association

- Annual meeting of Alumni members
- Honouring the Retiring Staff and top scorers of University Examinations
- Support and guidance in Academic and non-Academic Activities of students
- Expert Lectures conducted by Alumane members in various Department.
- Information given to former students about the special activities of the dept. eg: - National Seminars / Workshops etc.

6.12 Activities and support from the Parent – Teacher Association

- Regular Meetings
- Financial Support provided for College Development
- Feedback
- Honouring the retiring staff
- Awarding the top scorers of University examinations

6.13 Development programmes for support staff

- Training programmes to encourage and improve academic qualifications
- Welfare funds
- FWA
- Encourage to participate in Orientation, Seminars & Workshops

6.14 Initiatives taken by the institution to make the campus eco-friendly

Sl. No	Programmes initiated by the Departments	Criterion	Departments
1	Snippet distribution – 10 tips to help, save the environment in connection with the environmental day celebrations in the college	Value added	Zoology
2	Inauguration of Butterfly Park in the college campus by	Academic	Zoology
3	Plastic Removal from the campus by Bhoomithra club Members	Value added	Bhoomithra
4	Preparation of seedlings& planting them in various parts of the campus by the Bhoomithrasena club members & NCC members	Community extension	Bhoomihtra Club & NCC
5	Campus cleaning	Value oriented Extension	CSS
6	Removal of plastic waste and proper disposal of waste	Social Extension	CSS
7	Identification of Butterflies visiting the butterfly garden by students	Community Extension	Zoology
8	Faunal diversity Register	Community Extension	Zoology
9	Animal Planet- Finding the Scientific name	Community Extension	Zoology
10	Surveyed the flora and fauna of the campus and have named and numbered all the trees.	Academic	Departments of Botany and Zoology
11	Trees are planted by various departments and clubs during the Vanamahothsava and Environment Day celebrations	Community Extension	All Departments

Sl.No	Initiatives Undertaken for Eco Friendly campus
1	Keeping pace with the Little Flower Value Eco-Sensibility, we train our students to be sensitive to the needs of the earth and environment.
2	We propagate a respectful co-existence rather than utilization of earth. We have an Eco-Park honouring St. Francis of Assisi, the patron saint of ecology.
3	The College maintains Botanical Garden, Butterfly Garden, Herbal Garden and Vegetable Gardens.
4	The heritage zone named Victoria Park is a beautiful garden in honour of our pioneers especially Rev. Sr. Mary Victoria the first Principal.
5	The campus records a total number of 800 coconut trees, 182 mango trees and 468 other trees as in 2014.
6	To conserve energy we have made it a point to use LCD monitors, CFL and LED bulbs.
7	Sustainability principles and practices are instilled in the students through awareness programmes and seminars.
8	The college has its own high tension transformer of 38 KVA and a Generator, rating 82.5 KW. This provides the campus with uninterrupted power supply.
9	Voltage fluctuation and damage to instruments is avoided through the installation of ELBS, Stabilizers and UPS (5 KVA – 6, 3 KVA - 4, 1KVA-12).
10	Another contribution to the saving of power is by restricting the use of electricity in the college hostel by switching off the main connection for lights and fans during college hours when students are not expected to be in their rooms.
11	A spacious Leisure Tower and benches under trees with sufficient natural light and air is provided for the students to spend their free time in study or other creative work without loss of power.
12	Biogas plants are installed for cooking in the college hostel. Solar water heaters are also used here.
13	The solar power backup with capacity of 1KW is utilized as a power source in the Physics laboratory and library.
14	24 hour power backup is available.
15	A 10 KW solar power unit contributed by the PTWA to commemorate the Diamond Jubilee year of the College paved way for energy conservation in a systematic manner.

16	Rain water from all over the campus is directed into the natural pond within the campus through carefully laid channels. This effectual design envisaged by the management has helped in retaining high ground water table level inside the campus and in the neighbourhood even during summer.
17	The water channels are cleaned and maintained regularly.
18	Rain water falling over the science block is collected and stored in synthetic tanks. About 3000lts of water is available usually. All the apparatus used by the students in the Chemistry lab is cleaned using this water.
19	A Cactorium consisting of more than 60 varieties of xerophytic plants and a green house nurturing a large variety of pteridophytes are maintained here.
20	An herbal garden with rare medicinal plants is maintained in collaboration with Oushadi.
21	The college also protects a few varieties of endangered plant species
22	Minimal or no use of plastic is encouraged. The college collects plastic bags and supplies paper bags to the nearby stores once in a year.
23	The students are encouraged to submit projects for correction online thus reduce the use of paper.
24	Segregation of the waste generated in the campus into bio, hazardous and that can be recycled.
25	Saplings are supplied to students every year as a part of 'Green Campaign'.
26	Every year a particular area in the nearby locality is adopted and saplings are planted and maintained by the college in these places.
27	The College has planted saplings at Snehatheeram on the sea shore at Chavakkad. Saplings were planted and nurtured at nearby roads.
28	Saplings were planted at Dementia Care Centre, Kottapady, Agathimandiram, guruvayoor by NSS, NCC Volunteers and CSS.
29	Special drainages are provided to direct chemical waste from the labs to a specially constructed closed land fill.
30	E-waste is disposed through outside agencies. We try our best to minimize the use of hazardous polymers for educative or decorative purposes. Plastic waste, CFL blubs are collected in special pits.
31	Provision is made to segregate and collect waste in different pits.

CRITERION – VII

7. INNOVATIONS AND BEST PRACTICES

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

Promotion of innovative new generation job oriented courses

- UGC Add-on courses :Certificate /Diploma/Advanced Diploma
- Self-designed courses functioning in the College (15)
- Teaching & Learning
- ICT enabled classes, Smart Class Rooms, Audio-Visual Room.
- Pre Knowledge test after admission and Special coaching class.
- Continuous evaluation of student progress achieved by frequent test papers, Projects, distribution of corrected papers and discussion of answers
- Remedial teaching for slow learners
- Enrichment programme for advanced learners
- ‘Teach when you learn’ – Group learning
- Industrial visit, study tours, seminars, internships and workshops are promoted
- Scholarships and endowments to encourage students
- NET/SET coaching classes for P.G. students
- Effective tutorial system and Student Mentoring system
- Internet facility provided for wider reference work and better learning experiences.
- Innovative project works endorsed
- Students are provided with advanced facilities like Language lab, Video editing suits, Audio recording studio, and Preview theatre.
- Self-Transformation Centre-Living in Harmony for Psycho-Spiritual communicative self Training.
- Teaching strategy is communicated to the students at the commencement of each semester. An overview of the year is presented by the college calendar.
- Special care is taken to update the library
- Availability of INFLIBNET
- Notes on different topics based on the syllabus are uploaded in the website for students
- Identification of Butterflies visiting the butterfly garden by students
- Faunal diversity Register
- Animal Planet- Finding the Scientific name
- Scientia- Current Information Corner by the Department of Zoology
- IMPULSE – student project compilation
- REFLECTIONS – Journal article review by students
- International, National and Regional Seminars and Paper presentations
- Extension of heritage museum
- A National Level Lecture Demonstration on Gotipova an Odissi Art Form Was Organised 12 artists from Orissa Natya Mandap performed thier state art form
- Peer group study.
- Economic Forum

- English Research Forum for Students
- Faculty Research Forum

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

IQAC prepares an action plan at the beginning of the year with the details of the programmes to be organised by all the departments. IQAC also collected monthly reports and discussed improvements in staff meetings, necessary actions are taken and help provided to see the programmes that are organised as scheduled in the year plan. (Action Plan and Event Calendar attached)

7.3 Give two Best Practices of the Institution

- ❧ Innovative Research Practices through International and National Seminars
- ❧ Social Commitments and Extension Services
- ❧ Blood Donation Camp
- ❧ Adopted Colonies
- ❧ Eco Friendly Awareness Campaign

Sl.No	Best Practices	Departments
1	The members of the Department take active interest in maintaining the academic standard in theory and updating the lab for practicals. To upgrade the students to cope up with the contemporary technological development, the department provides ICT enabled teaching.	All Departments
2	Every year Department conducts programmes in connection with energy conservation day celebration to inculcate in the students the importance of saving energy.	Physics
3	Helping the inhabitants of ‘Thanal,’ (Raja rehabilitation centre) by visiting them and distributing their products among the staff & students of the College	Physics, Zoology, NSS
4	Organic manure “Jaivadhara” manufactured by our students and distributed to the kudumbasree members, locals, staff and students	Chemistry
5	Adopted a house in kottapadi with three old ladies with lot of health problems. Students	Chemistry

	frequently visited them and helped them to bath and clean their house and helped them financially also.	
6	Identification of Butterflies visiting the butterfly garden by students	Zoology
7	Faunal diversity Register	Zoology
8	IMPULSE – student project compilation	Zoology
9	REFLECTIONS – Journal article review by students	Zoology
10	AVON NOVA- Creative Reading Zone	English
11	Research Forum	English
12	MAD F.E (Make a Change Programme)distributing food packets to the poor	Functional English

7.4 Contribution to environmental awareness / protection

Sl.No	Initiatives Undertaken for Eco Friendly campus
1	Keeping pace with the Little Flower Value Eco-Sensibility, we train our students to be sensitive to the needs of the earth and environment.
2	We propagate a respectful co-existence rather than utilization of earth. We have an Eco-Park honouring St. Francis of Assisi, the patron saint of ecology.
3	The College maintains Botanical Garden, Butterfly Garden, Herbal Garden and Vegetable Gardens.
4	The heritage zone named Victoria Park is a beautiful garden in honour of our pioneers especially Rev. Sr. Mary Victoria the first Principal. Provision is made to segregate and collect waste in different pits.
5	The campus records a total number of 800 coconut trees, 182 mango trees and 468 other trees as in 2014.
6	To conserve energy we have made it a point to use LCD monitors, CFL and LED bulbs.
7	Sustainability principles and practices are instilled in the students through awareness programmes and seminars.
8	The college has its own high tension transformer of 38 KVA and a Generator, rating 82.5 KW. This provides the campus with uninterrupted power supply.
9	Voltage fluctuation and damage to instruments is avoided through the installation of ELBS, Stabilizers and UPS (5 KVA – 6, 3 KVA - 4, 1KVA-12).
10	Another contribution to the saving of power is by restricting the use of electricity in the college hostel by switching off the main connection for lights and fans during college hours when students are not expected to be in their rooms.
11	A spacious Leisure Tower and benches under trees with sufficient natural light and air is provided for the students to spend their free time in study or other creative work

	without loss of power.
12	Biogas plants are installed for cooking in the college hostel. Solar water heaters are also used here.
13	The solar power backup with capacity of 1KW is utilized as a power source in the Physics laboratory and library.
14	24 hour power backup is available.
15	A 10 KW solar power unit contributed by the PTWA to commemorate the Diamond Jubilee year of the College paved way for energy conservation in a systematic manner.
16	Rain water from all over the campus is directed into the natural pond within the campus through carefully laid channels. This effectual design envisaged by the management has helped in retaining high ground water table level inside the campus and in the neighbourhood even during summer.
17	The water channels are cleaned and maintained regularly.
18	Rain water falling over the science block is collected and stored in synthetic tanks. About 3000lts of water is available usually. All the apparatus used by the students in the Chemistry lab is cleaned using this water.
19	A Cactorium consisting of more than 60 varieties of xerophytic plants and a green house nurturing a large variety of pteridophytes are maintained here.
20	An herbal garden with rare medicinal plants is maintained in collaboration with Oushadi.
21	The college also protects a few varieties of endangered plant species
22	Minimal or no use of plastic is encouraged. The college collects plastic bags and supplies paper bags to the nearby stores once in a year.
23	The students are encouraged to submit projects for correction online thus reduce the use of paper.
24	Segregation of the waste generated in the campus into bio, hazardous and that can be recycled.
25	Saplings are supplied to students every year as a part of 'Green Campaign'.
26	Every year a particular area in the nearby locality is adopted and saplings are planted and maintained by the college in these places.
27	The College has planted saplings at Snehatheeram on the sea shore at Chavakkad.

	Saplings were planted and nurtured at nearby roads.
28	Saplings were planted at Dementia Care Centre, Kottapady, Agathimandiram, guruvayoor by NSS, NCC Volunteers and CSS.
29	Special drainages are provided to direct chemical waste from the labs to a specially constructed closed land fill.
30	E-waste is disposed through outside agencies. We try our best to minimize the use of hazardous polymers for educative or decorative purposes. Plastic waste, CFL blubs are collected in special pits.

Sl. No	Programmes initiated by the Departments	Criterion	Departments
1	Snippet distribution – 10 tips to help, save the environment in connection with the environmental day celebrations in the college	Value added	Zoology
2	Inauguration of Butterfly Park in the college campus by	Academic	Zoology
3	Plastic Removal from the campus by Bhoomithra club Members	Value added	Bhoomithra
4	Preparation of seedlings& planting them in various parts of the campus by the Bhoomithrasena club members & NCC members	Community extension	Bhoomihtra Club & NCC
5	Campus cleaning	Value oriented Extension	CSS
6	Removal of plastic waste and proper disposal of waste	Social Extension	CSS
7	Identification of Butterflies visiting the butterfly garden by students	Community Extension	Zoology
8	Faunal diversity Register	Community Extension	Zoology
9	Animal Planet- Finding the Scientific name	Community Extension	Zoology
10	surveyed the flora and fauna of the campus and have named and numbered all the trees.	Academic	Departments of Botany and Zoology
11	Trees are planted by various departments and clubs during the Vanamahothsava and Environment Day celebrations	Community Extension	All Departments

7.5 Whether environmental audit was conducted?

Yes

No

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

SWOT analyses	
Strength	<ul style="list-style-type: none"> • Good team spirit among faculty • Good Infra structure with adequate facility for learning & well equipped Laboratory with modern instruments • Effective student mentoring system • Remedial classes. • Research oriented Seminars • Exhibitions • Special attention to minority students. • Extention activities • Student welfare scheme • Enhancement of employability of students by giving exposure through study trips & industrial visits. • Students of good caliber • Qualified faculty • House visits, tutorial • MPTA • Use of ICT • Paper presentations and publications • Conduct quiz competition by all Departments • Conducted exhibitions • Releasing of Manuscript and Magazines • Conduct Field Visits

	<ul style="list-style-type: none"> • Club and Association activities • Project Works • Interaction with marginalized people • extracurricular activities-NSS, NCC, Bhoomithra club, Interior Decoration • Sex Education • Value Education • Full Time Counselling availability • Add on and Certificate Courses.
Weakness	<ul style="list-style-type: none"> • High rate of student composition from less privileged social strata • Less opportunities of international exposure for students • Lack of autonomy in course selection and appointment • Inadequate facility of renewable energy resource
Opportunities	<ul style="list-style-type: none"> • Provides timely information about various scholarships and competitive exams. • Participation in International and National Seminars, intercollegiate Quiz etc. • Availability of Excellent lab facility for conducting projects. • Professional and value oriented courses. • Make availability of external experts to conduct workshops, seminars and conferences. • Inspiration to live in natural harmony – Nature camps, tree plantations, butterfly gardens etc. • Functioning of Professional Courses. • Media oriented education.
Challenges	<ul style="list-style-type: none"> • Lack of recognized research centre. • Unavailability of adequate UGC funds for conducting national seminars and workshops.

	<ul style="list-style-type: none"> • Updating technology infrastructure as a requisite to the technology blooming era. • Requirements to be autonomous. • Restrictions in programme selection and evaluative system. • No autonomy in course designing. • Infrastructural expansion stalled due to inadequate grants. • Early marriages of students.
--	--

8.Plans of institution for next year

- Achieve Autonomous Status for the College
- Achieve the position of College of Potential for Excellence
- National and International seminars
- Major and Minor research projects
- International and National publications
- Water analysis unit by the Department of Chemistry
- Updating advanced ICT Resources
- To achieve 100% of renewable green energy in the campus
- NET & CSIR coaching
- University registered Research Centres
- Ph. D for all faculty
- Participation in training programmes of other institutions by faculty
- More Academic Extension Activities
- Students projects in collaboration with Research Institutes
- Increase in the number of student placements
- Organize external funded International and National Seminars by the department
- Participation in more International and National conferences and workshops by faculty and students
- Distributing tissue culture developed plantlets of cultivated plants to local population by the Botany Department
- STUDENT MENTORING PROGRAMMES : TOEFL/IELTS Coaching
- Starting Multimedia UG course in the next academic year

- Mother PTA
- Student Support Programme and Walk with a Scholar Programme
- Invited talk as part of OSA lecture series to mothers & students on Women education
- Clean and Eco friendly Campus initiative Programmes
- Start B.Voc and Certificate vocational Course
