

2019-2020

The Folklore club of 2019-2020 was inaugurated on November 7, 2019, by Molly Joseph Mambilly in the absence of poet P.P Ramachandran Sir, who couldn't attend the function because of flood. Dr. Ushus presided the function. The inaugural speech enriched with folksongs was a great experience to all. The event was successful in creating an atmosphere which emphasized the fading agricultural practices. The gathering concluded with the thanks speech delivered by kumari Gloriya Mathew.
