

ASSISI PETALS

LITTLE FLOWER COLLEGE
GURUVAYOOR

NEWS LETTER 2020-2021

ISSUE 3 - JUNE 2021

Rev. Sr. Dr. Jeesma Therese
(Valsa M.A) Principal

**"Bless the Lord, oh my soul! And do not forget all His benefits."
Psalm 103:2**

Little Flower College is in her glory feathered by the excellence of staff and students in curricular and co-curricular activities fulfilling the goals set before this academic year. No doubt, It is our tireless efforts and dedication that made us contended in the achievements of our college.

The curriculum delivery became handy and effective by the use of Moodle online platform. Webinars, workshops and other academic programs were conducted by various departments in connection with celebration of specific days. Along with the academia, the humanitarian aspects are in its fullness under the direction of 'Athijeevanam', the

disaster relief measures of our institution, to console the victims of covid19 imparting nursing care, health care, counselling through phone, service by our staff and students in covid wards of various hospitals, covid home care activities, food kit distribution, economic aid to community kitchen and families those who deserve it. Institutional scholarship named 'ARISE LITTLE FLOWER' helped the students to manage their educational expenses. 25 of a final year students experienced its merit. Freeship scholarship provided by our management and the educational scholarship arranged by our benefactors also rendered the students with an educational aid. By the grace of God, the institutio was instrumentalised to be a blessing for many.

We are thankful to God that our institution continues its success not only in academics, but also in social consciousness. I am proud that the newsletter of the duration 2021 February to 2021 May, 'Assisi Petals' is imprinted with a crystal clear picture of our activities during this period.
