

DEPARTMENT OF PHYSICS –ASSOCIATION ACTIVITIES-2019-2020

The formal inauguration of Physics association was held on 10th october 2019 by V.Vjayakumar, Associate Professor(Rtd.), Dept.of Physics,Victoria college,Palakkad followed by a Seminar on the topic ‘A gate way to Quantum Mechanics’

On 21th June 2019,the staff and students of second year Physics visited “Thanal” (Rehabilitation centre),Guruvayoor

Moon Day celebration(News paper distribution) conducted on 23rd July 2019.Colourful newspapers made by students are distributed in all Departments.

Photo exhibition in connection with the death anniversary of Dr.A.P.J. Abdul Kalam on 29th July 2019.

World Nature conservation Day on 28th July –Notice distribution on 29th July 2019.

Hiroshima day observation – PPT Presentation competition Conducted on 20th August 2019.

Awareness programme on the topic” An introduction to ozone science” on 19/09/2019.

An awareness class on the topic “ An introduction to ozone science” for all the students of L F college. The resource person was Dr.Nishanth .T, Asst.Prof. of department of Physics, Sreekrishna college, Guruvayoor. It helped the students to develop the awareness about the necessity of protecting our nature by preserving ozone layer

2) Cleaning of college campus on 23/09/2019.

The premises of Physics department and library was cleaned by first year BSc students. The collected waste which separated into degradable and non-degradable are disposed at the common collection centre of the college for decomposition and recycling.

Awareness class for women in Kadappuram panchayath on 25/09/2019.

The BSc.Physics students conducted awareness class on the topic ”conserving the nature by conserving energy for the women in the Anjangadi locality of Kadappuram Panchayath. The class focused mainly on nature conservation, solar energy, preservation of ozone layer, irradiation of plastics etc. The pamphlets including the tips **to conserve nature** were also distributed among the people in the locality.

4) Cleaning activities outside the college on 26/09/2019

The footpath of Kunnamkulam-Guruvayoor road in front of L.F.college was cleaned and the waste disposed at the waste collection centre of the college.

Palmphlets distribution on 27/09/2019

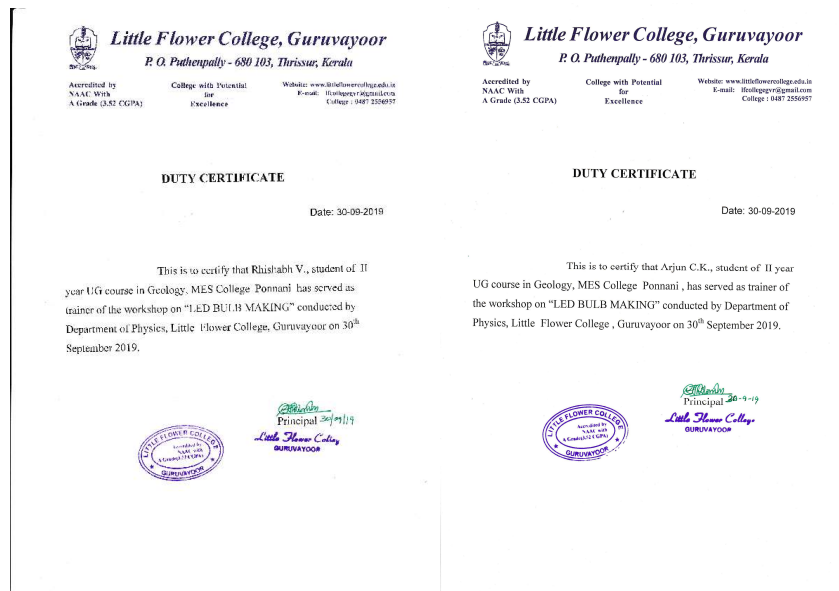

The palmphlets including the tips to conserve the nature were distributed in the nearby public places and houses of our college.

Workshop on” LED BULB making”on 30/09/2019.

Workshop on LED bulb making was conducted by the department of Physics in collaboration with MES College, Ponnani for BSc.degree students. The trainers

were Arjun C K and Rhishab V, BSc Geology students of MES College, Ponnani.

Workshop on LED Bulb making for women in the locality on 1/10/2019.

Hands on training on LED bulb making was given by the dept. of physics for the women in the locality. The programme was inaugurated by the Principal of L.F. College, Guruvayur. Around 25 women were benefitted by this programme.

Visited inmates of Subjail, Chavakkad and conducted a training for LED Bulb making on 4/10/2019

Inauguration of JAM coaching for the students of III UG Physics by Sreerika R Menon (member OSA) on 10/10/2019.

Staff and students of I DC Physics visited Thanal -Rehabilitation Center,Guruvayur on 15/11/2019.

In connection with Swachhta Pakhwada, students of physics department made a ppt presentation for students of college on the topic ‘**Innovative techniques for waste recycling and energy conservation**’ at Seminar hall on 18/01/2020.
