

Little Flower Incubation center established to support innovative ideas of student and to develop pre incubation centers which eventually guides the students to be new entrepreneurs. The activities of LFIC focuses on small scale market-oriented self-employment opportunities for the students.

MISSION

To create a vibrant local innovation ecosystem & Start-up supporting mechanism in the institution and to establish functional ecosystem for scouting ideas and preincubation of ideas.

VISION

To polish the creative potential of youth for vibrant Innovation & Entrepreneurship ecosystem from the institution.

MOTTO

Fostering the culture of innovation

OBJECTIVES

- Systematically foster the culture of innovation and start-up ecosystem in education institutions.
- To engage faculty & students in various innovation and entrepreneurship related activities
- To establish and stabilize innovation and entrepreneurship ecosystem in the institution.
- To address the existing challenges/issues in Innovation & Entrepreneurship activities.

ADVISORY COMMITTEE

President – Dr. Sr. Valsa M A, Principal

Vice President – Dr. Sr. Celine Therese, Vice Principal

Convenor - Dr. Sithara K Urumbil, Asst. Professor in Botany

IPR Coordinator – Ms. Alphy Jose, Asst. Professor in Mathematics

QUARTER 2

COUNCIL MEET 07.12.2021

The council meet decided to conduct the following activities from the IIC Calendar 4.0 for the quarter 2 in the council meet on 07.12.2021

4. Workshop on “Design Thinking, Critical Thinking and Innovation Design”
5. Workshop on Entrepreneurship Skill, attitude and Behavioural development”
6. Session on Achieving Problem- Solution Fit, Product-Market Fit”

The council decided to organise a Workshop on LED Bulb Making in connection with Energy Conservation Day, 7 December 2021 in Collaboration with Dept. of Physics.

WORKSHOP ON LED BULB MAKING: 10.12.2021

In Connection with Energy Conservation Day 2021

A workshop on LED bulb making was conducted on 10/12/2021 from 1.30pm to 3.30pm by IIC of Little Flower College, Guruvayoor in collaboration with Dept. of Physics in connection with Energy conservation day. 46 students participated in the workshop. Raw materials for the workshop were arranged by Dept. of Physics with the aid of management. Principal Dr. Valsa M A inaugurated the workshop by giving a LED bulb kit to Niha Rose. Students actively participated in the workshop and made 24 LED bulbs in the workshop. The LED bulbs assembled by the students in the workshop were distributed among houses in Moopen Colony, Mammiyoor on 23/12/2021. Our students visited 44 houses in the colony and gave awareness about the advantages of using LED bulbs.

Organising Committee:

Dr. Valsa MA (Principal & IIC President)

PROBLEM SOLVING & IDEATION WORKSHOP

23.02.2022

Institution's Innovation Council (IIC), Little Flower College Guruvayoor organized "Problem Solving & Ideation Workshop" on Wednesday 23rd February 2022 at 07:30 pm. Mr. Joseph A V, Director, AIM World Machineries Wayanad led the session. He explained about various problem identification & problem-solving methodologies and explained how feasible ideas can be sorted out for it. The session was so interesting and the workshop discussed various steps the speaker gone through while inventing and registering his new machinery with Kerala Start up Mission. He also explained about the steps to get the financial support from Government start up policies for the implementation of ideas. Participants interacted with various ideas of their own for problem solving. 7 faculty Members and 48 Students attended the session.

SESSION ON “ENTREPRENEURSHIP AS A CAREER”

BY IIC & DEPT. OF COMMERCE

31.08.2022

The Institutions Innovation Council and the Dept. of Commerce conducted a Webinar on “ENTREPRENEURSHIP AS A CAREER” on 31.08.2021 in Google meet Platform. The resource Person for the Webinar was Ms. Anjaly Joy, the founder of MA_Masks and MA_scrunchies which is a small scale online business by our Alumni member. The session was very useful for our students and they actively participated in the same.

Objective of the programme

- To give broad idea about how to start a small scale business of our own in online mode.
- To get idea about useful steps for getting incubated with useful links and informations.
