### **Routine and lifestyle**

Rajan Neyyan, a Holy Mary auto driver, picks up four esteemed mothers from their homes every day and takes them back.

Respected mothers arrived at 10 a.m. Went back at 4:30 p.m. A day in the daytime begins with prayer. Then they greet and free the mind. Then all of them gathered in the prayer room. They share their pains, joys, illnesses, and sorrows with God.

11 .45 am in the Tea break. Again, they engage in prayer and eloquence.

12.30 pm Lunch and rest. All the necessary facilities for a good rest are provided here. They have television and other entertainment for them.

They meet in the prayer room at 3.00 pm, drink coffee at 4 pm, and return home with joy, peace, and refreshment.

In January, Mary Olakenkil did not come due to old age sickness. But 2 new people came; Mary Palakkal and Thressia.

Mother Mary Pulikottil has just joined in February 2017. All of them share their sorrows and joys. Learning how to view sad experiences positively.
