NEWS LETTER 2023 - 2024

ISSUE 1 - September 2023

Rev. Sr. Dr. Jeesima Therese
(Valsa M A)
Principal

"Bless the lord, Oh my soul! And do not forget all His benefits" Psalms 103:2

Greetings from Little Flower College Guruvayoor. The colourful new academic year 2023-2024 started from 01/06/2023. With great vigour and enthusiasm, all department associations started student-centric learning through different types of experiential activities. Reading week and other significant days were celebrated by variety of programmes. Our students secured medals in Archery competitions and bagged first and second positions in quiz, essays, etc. Our faculty members delivered extension lectures, presented papers and published research articles. The students showed their talents in curricular and extra-curricular activities. NSS volunteers and NCC cadets expressed their commitment towards nation through number of extension activities. More infrastructural facilities were added in the college by the completion of Kolbe block and St. Clare block. BCA lab and Computer Science lab were air-conditioned. Non-teaching staff picnic to Mankulam and Munnar made them more vibrant. Webinars, seminars, workshops, etc. helped the students to explore new vistas of knowledge. This newsletter depicts all the activities of our students and staff from June to September 2023. Hearty congratulations to Ms. Laly A.S. for her tireless efforts to publish this newsletter at correct time. May the God Almighty shower thousands of His choicest blessings upon all of you.

*Let us radiate the light of knowledge that we have gained into the society around us. (Isaiah 60 :1)
Amen*

Little Flower College bagged first prize in Green campus competition conducted in connection with the cleaning drive of Guruvayur Municipality as a part of Indian Swachhata League to find the cleanest cities in India
