

## Induction Programme for First Year UG and PG Students 2023-2024

New academic year and the entry of new students to a higher education institution is always an important event both for the institution and for the new students. The students are in a transition phase from their school life to college life with a numerous expectation. Student induction Programmes will be conducted before the starting of regular classes which helps students to acclimatise with the new environment. Little Flower College, Guruvayur organised 5 Day Programmes to welcome new students and helped them to feel comfortable in the new environment.
