UG & PG STUDENT INDUCTION PROGRAMME 2022-23

LITTLE FLOWER COLLEGE, GURUVAYOOR

A student induction programme for the UG and PG students were organized in the campus for the newly joined students to get familiarized with the institution. Purpose of Student Induction Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self-exploration. The first session of the programme was carried out on the very first day of joining. The UG student induction programme was carried out on 30-08-2022 and PG students on 31-08-2022. The first day started with an Initiation Ceremony followed by Principal's message. Altogether there were seven sessions and all the sessions were handled by eminent resource persons from inside and outside the campus and were highly beneficial to the new comers.
