## **December 4 - Project VENDA**

Drug Abuse is seen as a social and health problem that has many serious implications for the physical, social, psychological and intellectual development of the victims more especially, the children. It was held on 4th December 2020 from 11 am to 12:30 pm. It was a really good awareness class that gave us many helpful pointers.

## **December 1 - AIDS Day**

National AIDS Control Organization is a division of the Ministry of Health and Family Welfare that provides leadership to AIDS control programmes in India through AIDS Prevention and Control Societies. We did some awareness activities to spread the word.

## January 4 - Pulse Polio Immunization ( PPI) Programme

All the volunteers showed high interest in spreading the word on Importance of taking polio. Many of our Volunteers went and gave awareness classes in their locality. They demonstrated everything very well.

## National Youth Day – 12<sup>th</sup> January

National Youth Day was celebrated on 12 January by the Red Ribbon Club members of the Department. They conveyed the message of importance of blood donation and steps to slowing down the spread of HIV infections by making a “Tree for Life”. Students decorated a tree in their neighbourhood

with small red ribbons and displayed cards/notes with positive notes on them. Total of 68 students participated in the programme (<https://youtu.be/NW-ixPya2CU>).

National Youth Day celebrates the potential of youth as partners in today's global society. The purpose of the day is to draw attention to a given set of cultural and legal issues surrounding youth. It also aims to promote ways to engage them in becoming more actively involved in making positive contributions to the communities. We also had an orientation class for our New NSS Volunteers which was done by Ms. Beena C.A and the program was inaugurated by

our Principal Sr. Dr. Valsa M.A. Ms. Beena C.A gave us many helpful informations.
