

PALLIATIVE CLUB 2017-2018

Palliative cell started its consoling activities from the beginning of the academic year on June. The students visited the home of the aged and the sick near to their families and provided services by bearing the difficulties and suffering of their situation. Palliative club members cleaned the premises of the college campus. Palliative club of the department can bring the young and vibrant student community to spread the message and engage them in future palliative works. Palliative club organized an awareness seminar 'Vayomitram'. This seminar was inaugurated and delivered a talk on this by Dr. Anto Florance.P, Rtd HOD and Associate Professor, Department of History on 22nd December 2017. Palliative club members celebrated X'mas with the marginalised people on 25th December 2017.
