CONNECTIONS- *Linking Man to Nature*

Activities of the present academic year began on World Environmental Day, 5-06-2015 by planting trees in Butterfly Garden. A Spot Photography Competition on “Butterflies of the Campus” was also conducted on the same day.

A Quiz on “Environmental and Wildlife Conservation” was conducted for all U.G. students on 10-09-‘15. In connection with Ozone Day we distributed snippets to create awareness on environmental protection on 16th September 2015.

A seminar on ‘**Climate Change and Biodiversity conservation**’ was conducted by Dr. John K Thomas, Principal Scientist Jubilee Medical Research Centre, Thrissur and Retd. Professor, Christ College, Irinjalakuda on 14-12-2015. All staff and students attended the seminar.

Ms. Swapana Johny delivered an awareness talk on “Kole Wetlands of Thrissur” in connection with World Wetland Day on 3-02-’16.
