WALK WITH A SCHOLAR PROGRAMME

ANNUAL REPORT - 2014-2015

In this new generation world the youth are facing academic and non academic problems.Lack of understanding of basic concepts in their concerned subjects and disciplines, lack of in-depth knowledge,lack of motivation,no specific goals, stress, and attitude problems etc are their problems.The Collegiate Educational Department Kerala has introduced Walk With a Scholar Programme in colleges for academically brilliant students.

During the academic year 2014-2015 we started Walk With a Scholar Programme in Little Flower College , Guruvayoor.The WWS programme co-ordinator Shirly .T.A attended a meeting on the details of WWS programme held at Thiruvananthapuram on 7th August 2014. The co-ordinator and our five internal mentors of WWS programme attended oneday workshop on WWS programme held at St.Joseph's College, Devagiri on 16-10-2014.

The students were given awareness about the WWS programme in the College.The students from English, Economics, History ,Mathematics,Chemistry,Botony,Zoology and computer science departments were chosen for the WWS programme.

External mentor programmes had arranged on 14th and 30th January 2015 by Mr.Jomy P.L,Director of Career guidance institute ,IMS Thrissur.He had explained various avenues awaiting them in this vast world and inculcated in them the values which will help them achieve success and happiness in their future.It was very impressive and useful to them. Because of the demands of students we arranged two more external mentor programmes by him on 13th and 24th March 2015. Another external mentor programme had arranged on 18th February 2015 by Mr.Davis Padicala, Director of “Blossoms”,the center for communicative English,Thrissur.

The internal mentors had conducted formal and informal interactive sessions with the mentees. They have discussed their academic and family problems. The internal mentors empowered them skills that will enable them to face challenges in life.The internal mentors had collected the bio-data of each mentees including self introduction, their aim,expectations,parental background,financial status and ambitions. Students are provided with study materials, stationary kits and refreshments.There was balance in travel expenses. So we bought study materials with this balance amount.

The Walk With a Scholar Programme of Kerala Collegiate Education Department has helped us very much.This programme is a blessing to our students.
