LITTLE FLOWER COLLEGE
GURUVAYOOR

NEWS LETTER 2023 - 2024

ISSUE 3 - May 2024

Rev. Sr. Dr. Jeesima Therese
(Valsa M A)
Principal

Greetings from Little Flower College Guruvayoor!

This issue of Assisi Petals highlights the remarkable achievements of our faculty and students from February 2024 to May 2024. Our dedicated faculty members have garnered recognition through awards in various fields. They actively contributed by delivering extension lectures, participating in Faculty Development Programs (FDPs), presenting research papers, and publishing articles.

Students excelled in both curricular and extracurricular activities, bringing home prizes and recognition. These accomplishments were celebrated during the college's Merit Day. We are particularly proud of the Department of Mathematics, which has been elevated to the status of a research center, a significant milestone for the college.

To ensure a smooth transition to the new 4-year degree program, informative webinars and classes were organized to address any challenges. We commend the tireless efforts of our NSS volunteers and NCC cadets under their respective coordinators. Their dedication and active participation in various activities are truly commendable.

The college continues to invest in infrastructure development. The recent renovation of the central library provides students with a more conducive learning environment. Additionally, well-organized seminars, workshops, and competitions held on significant days further enrich our students' academic journey and broaden their horizons. Special thanks to Ms. Laly A.S. for her dedication in publishing this newsletter.

May God bless you all.

"Give thanks to the LORD, for he is good. His love endures forever." (Psalms 136 : 1)

Farewell to the esteemed veterans of the knowledge portal. May your retirement be a new chapter filled with love, laughter and fulfillment.

**Congratulations and
a warm welcome**
