"God saw her getting tired,  
and a cure was not to be.  
He wrapped her in his loving arms  
and whispered "Come with me".

She suffered much in silence,  
Her sprint did not bend  
She faced her pain with courage,  
Until the very end.

She tried so hard to stay with us  
But her fight was not in vain,  
God took her to his loving home  
And freed her from the pain."
