The UN General assembly had designated 25th November as International Day for Violence against Women in 1993. This year our Union members took interest in organising a talk on the topic 'Protection of Rights of Women and Protection of Women from Violence'. Adv. Janaki P. was the resource person. This made our students aware about the various laws protecting the women from violence.

During this pandemic, all the students needed was a break to relax and refresh their minds from so much happening around. The College union had organized a musical event 'Beatronix' in connection with New Year Celebration.
