

LITTLE FLOWER COLLEGE, GURUVAYOOR

ACTIVITY REPORT OF Walk With A Scholar Programme

(WWSP) 2016-2017

The activities of 2016-2017 started with an evaluation meeting of last years internal mentors. All the internal mentors were of the opinion that there should be some result at the end of the year from the mentees. More stress should be given for the development of practical wisdom of mentees . By focussing this year plan was developed. Though there was delay for the release of govt. funds we could give students better classes.

The result was that our students prepared a short film RAKTHAPUSHPAM at the end of their mentoring sessions of this year. Some have secured scholarships for the courses conducted by other institutions by passing competitive examinations. Some secured prizes for photography competition conducted by various departments.

It is to be noted that the script was written by the students , scene divisions done by them ,locations set by them , dubbing everything done by them with the help of external mentors in the respective fields.

COACHING FOR APPEARING CIVIL SERVICE EXAMINATIONS

This was done by a team from CACT Central Academy for civil service training.

They conducted a scholarship test for the students. 20 students got eligibility for the fee concessions for the course. But only 3 joined for the course and continuing their preparations for the preliminaries of civil service examinations.
