#### Relevant suggestions

1. The Career guidance and placement cells should concentrate more on job centered training and placement.
2. Courses on Applied Maths, Language Skills, Horticulture, Herbal Technology, Mushroom Culture and Environment Sustainability should be implemented.

#### Actions Taken

1. The Career guidance cell has chalked out intensive Aptitude Training Programs for the Students.
2. NGOs and organizations like the YMCA are being approached by the placement cell for funding and assistance for more recruitment drives.
3. Certificate courses on Horticulture and Mushroom culture were offered by the college. In the case of other courses suggested, related departments have been asked to start add on and certificate courses on the subjects.
