TALK ON “MY STORY: SUCCESSFUL ENTREPRENEURS”-

30.11.2022

The Institution's Innovation Council (IIC), Little Flower college, Guruvayoor, organized a motivational talk by four budding successful entrepreneurs, Aiswarya K U, Afla P A, Faiza P, Archana Ashokan C. The session was arranged by programme coordinator Teresa J Heloise in the Rani Maria Hall at 2:50pm on 30th November 2022. The intention was to motivate and encourage students of the college to begin their own ventures. The resource persons shared their stories of transforming their hobbies into their business. They also shared how one can use social media to advertise their products. The hardships involved and the caution to be taken in such ventures were also discussed elaborately.

NATIONAL SCIENCE Day

1929

GLOBAL SCIENCE FOR GLOBAL WELLBEING

Madam /Sir,
Kerala Academy of Sciences (KAS) is celebrating the National Science Day commemorating the epoch making discovery of Dr. C.V. Raman in 1928, the "Raman effect", during February- March, starting from February, 23, 2023. The celebration, marking the 75th Anniversary of Indian Independence "Azadi Ka Amrit Mahotsav" and the growth of Science in India with Global perspective, is planned in 16 premier Colleges, spread in all the districts of the State. The celebration of NSD is being inaugurated formally by the Chief Secretary of Kerala, Dr V. P. Joy, at Mar Ivanios College, Trivandrum, on February 24, 2023.

This programme, organized by Kerala Academy of Sciences in association with Little Flower College, Guruvayur, will have a brief inauguration, followed by talks on the theme of NSD by identified scientists. Please attend and join the mission of KAS in promoting and inculcating Science and Scientific temper among the younger generation of the State. We extend our cordial invitation to all who love science and believe in its influence in society through the "Scientific Social Responsibility" translated by dedicated scientists.

EXPLANATION OF WORKING OF ONGRID SOLAR PANEL

INSTALLED AT COLLEGE 28.02.2023

A 30kVA ongrid solar panel was installed at our college recently to make use of solar energy. Our Faculty member Ms. Anne Jose M, Assistant Professor, Dept. of Physics explained the working of installed solar panel to the students of Dept of Physics. Three faculty members and 15 students benefitted from the programme.

WORKSHOP ON LED BULB MAKING

ORGANISED BY ED CLUB, IIC & DEPT. OF PHYSICS ON 24.03.2023

Entrepreneurship Development Club and Institution's Innovation Council (IIC) of the institution conducted a workshop on LED Bulb Making in association with Dept. of Physics on 24.03.2023. Principal Sr. Dr. Valsa M.A. inaugurated the workshop. Five faculty members and 54 students took part in the programme. The students assembled 57 bulbs using the kits and they were sold in the campus itself.

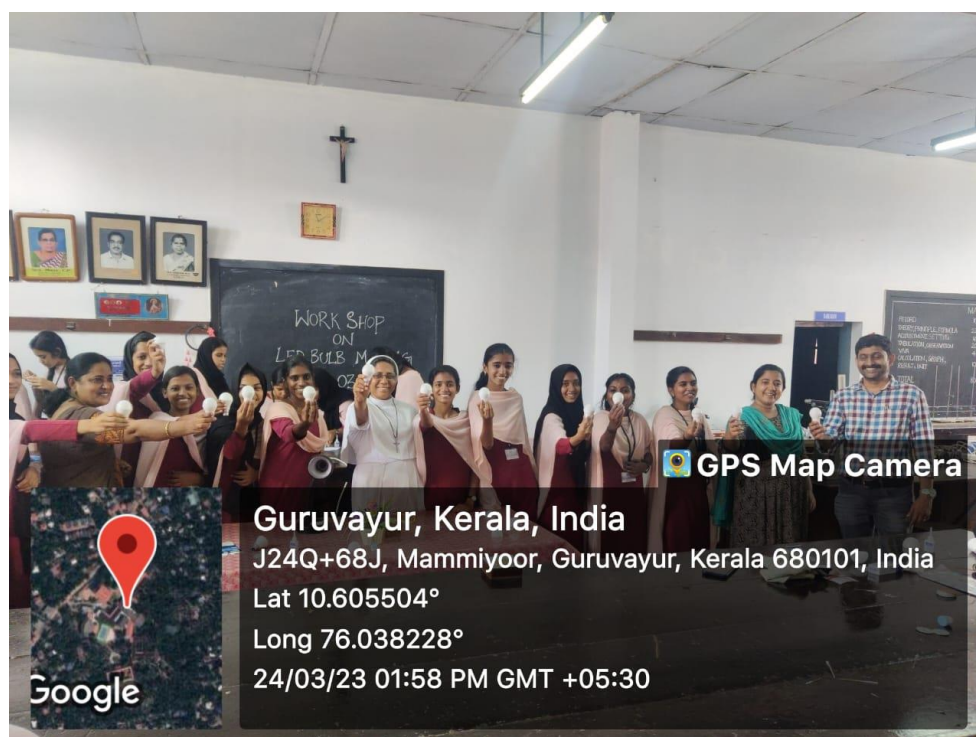

The poster features a black background with several light bulbs. One bulb on the right is glowing yellow, while the others are black. Text is overlaid in various colors and fonts. Logos for the Entrepreneurship Development Club, Institutions Innovation Council, and NAAC are in the top corners. The title 'WORKSHOP ON LED BULB MAKING' is prominently displayed in the center. Event details like date, venue, and time are listed below the title. Faculty and staff names are at the bottom.
