June, 14th - World Blood Donor Day

World Blood Donor Day was observed on 14th June being the birthday of Karl Landsteiner who discovered the ABO blood group in 1900. As a part of this Red ribbon club and NSS unit of Little Flower College conducted **online live webinar** to encourage youth to embrace the humanitarian call to donate blood and inspire others to do the same. The resource person of the day, Dr.Thanuja A Mathew, Assistant Professor, Department of Zoology, enlightened the students about the importance of blood donation especially in the present scenario of COVID -19. A total of 79 participants were there in the seminar.

New India@75 Campaign

starting from 12th August 2021

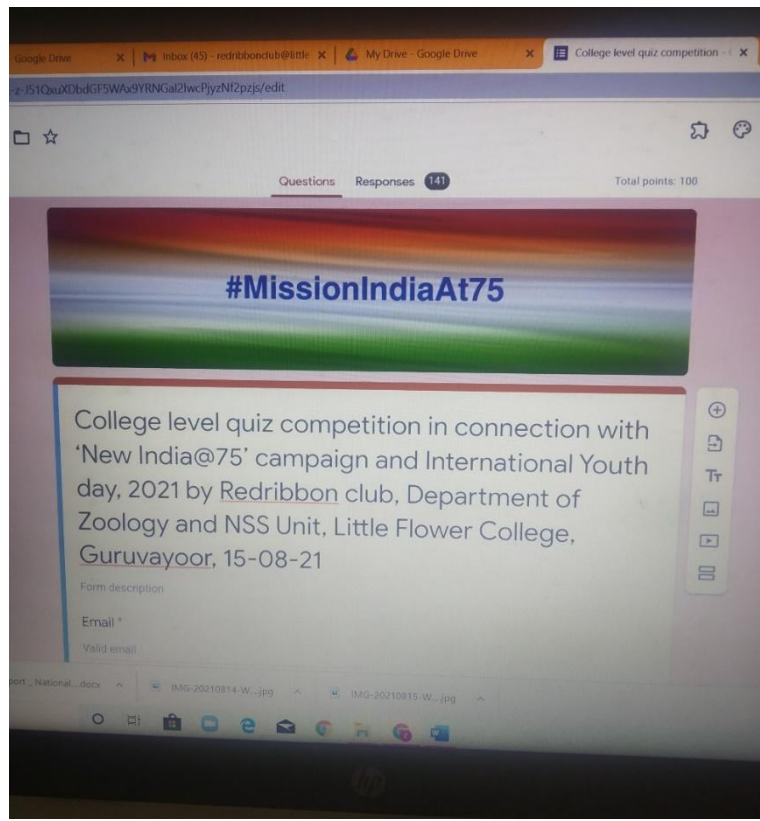

Online quiz competition on Blood Donation organized by Redribbonclub, Department of Zoology and NSS Unit, Little Flower College, Guruvayoor

India will commemorate 75 years of its independence, wherein, Government desires to build the concept of New India @75, with efficient, transparent and accountable governance. To contribute in development of New India@75, National AIDS Control Organisation (NACO) will contribute through the launch of awareness campaigns. Through these awareness campaigns, activities will be organised, both online & offline mode, by schools and Red Ribbon Clubs constituted in colleges. These campaigns will create awareness on HIV/AIDS, Tuberculosis and promote Blood Donation.

It is believed to achieve the following programmatic objective through these campaigns:

- Disseminating information regarding HIV/TB prevention and services;
- Developing an understanding about the infection to reduce stigma & discrimination against People Living with HIV/AIDS and TB;
- Encourage blood donation within youth.

World AIDS Day

World AIDS Day, observed each year on December 1, is an opportunity for people worldwide to unite in the fight against HIV, show their support for people living with HIV, and remember those who have died from an HIV-related illness. Started in 1988, World AIDS Day was the first-ever global health day. Red Ribbon Club, Department of Zoology in association with NSS Unit of Little Flower College, Guruvayoor organised the following activities raising awareness of the AIDS pandemic caused by the

spread of HIV infection and mourning those who have died of the disease.
