**World Blood Donor Day** was observed on 14<sup>th</sup> June being the birthday of Karl Landsteiner who discovered the ABO blood group in 1900. As a part of this Red ribbon club and NSS unit of Little Flower College conducted **online live webinar** to encourage youth to embrace the humanitarian call to donate blood and inspire others to do the same. The resource person of the day, Dr.Thanuja A Mathew, Assistant Professor, Department of Zoology, enlightened the students about the importance of blood donation especially in the present scenario of COVID -19. A total of 79 participants were there in the seminar.

### **READING DAY 19<sup>th</sup> June 2021**

The reading day was organised in the department with various activities. On 19-6-2021 A **reading competition on scientific news** was organised for all UG and PG students of the department. Google meet links were separately provided for each class groups by their corresponding class teachers. Students read a summary of the Scientific articles in the online reading forum. All the articles read out were either science news or research press releases. The readings helped the class to acquire novel and recent information. After the reading competition, the class decided to conduct weekly online science forums to share their scientific readings.

### **MOTHERS' MEET on 19<sup>th</sup> June 2021**

Department of Zoology organized a **Mothers' Meet** for V sem B.Sc. Zoology students' mothers in connection with reading fortnight 19<sup>th</sup> June to 7<sup>th</sup> July with the theme "**Make Books Your Daughter's Best Friends. Let Her Read and Grow**" at 3pm on Google Meet.

28 mothers participated in the meeting. Discussed the lack of reading habit amongst the current scenario of online teaching learning. Also asked mothers to find time to check regularly that their wards are taking down lecture notes and reading them after online classes. In addition, encourage daughters to read books rather than spending time I digital world. All mothers spoke in the meet. Also, gave them an online leaning experience of their daughters by presenting a ppt of a recent class.

**New India@75 Campaign**  
starting from 12th August 2021

Online quiz competition on Blood Donation organized by Redribbonclub, Department of Zoology and NSS Unit, Little Flower College, Guruvayoor

NACO  
National AIDS Control Organisation  
India's Voice against AIDS  
Ministry of Health & Family Welfare, Government of India  
www.naco.gov.in

India will commemorate 75 years of its independence, wherein, Government desires to build the concept of New India @75, with efficient, transparent and accountable governance. To contribute in development of New India@75, National AIDS Control Organisation (NACO) will contribute through the launch of awareness campaigns. Through these awareness campaigns, activities will be organised, both online & offline mode, by schools and Red Ribbon Clubs constituted in colleges. These campaigns will create awareness on HIV/AIDS, Tuberculosis and promote Blood Donation.

It is believed to achieve the following programmatic objective through these campaigns:

- Disseminating information regarding HIV/TB prevention and services;
- Developing an understanding about the infection to reduce stigma & discrimination against People Living with HIV/AIDS and TB;
- Encourage blood donation within youth.

## **World AIDS Day**

World AIDS Day, observed each year on December 1, is an opportunity for people worldwide to unite in the fight against HIV, show their support for people living with HIV, and remember those who have died from an HIV-related illness. Started in 1988, World AIDS Day was the first-ever global health day. Red Ribbon Club, Department of Zoology in association with NSS Unit of Little Flower College, Guruvayoor organised the following activities raising awareness of the AIDS pandemic caused by the

spread of HIV infection and mourning those who have died of the disease.

## WORLD WETLANDS DAY - 2022

### THEME

**WETLANDS ACTION FOR PEOPLE AND  
NATURE**

**LET'S JOIN OUR HANDS TO SAVE  
WETLANDS.....**

## AIMS

- *A call to take action for wetlands*
- *An appeal to invest financial, human and political capital to save the world's wetlands from disappearing and to restore those we have degraded.*
- *Take actions that ensure that wetlands are conserved and sustainably used.*
- *Save the wetlands and then we can think about saving the entire earth.*

## DEBATE COMPETITION

As a part of “International Mother Language Day” 21<sup>st</sup> February 2022, Department of Zoology conducted a debate on the topic “Importance of Mother Tongue as The Medium of Education & New Education Policy”. M.Sc Zoology students were actively participated in the competition. Dr.Swapana Johny, Head of the Department welcomed all the participants and delivered the importance of Mother Tongue Day. Midhila E Mohanan, Assistant Professor of Zoology Department was the moderator for the debate competition.

First year students spoke in favour of mother tongue (Malayalam) as medium of education and second year students spoke on English as medium of education. The debate helped the students to think critically and share their views on the given topic.
