## SCHOLAR SUPPORT PROGRAMME

### REPORT - 2015 -2016

The Scholar Support Programme of the year 2015-2016 started from July onwards. The second year students were given orientation by the SSP co-coordinator to start the third semester with great enthusiasm. English, Mathematics, Physics, Computer Science, and Economics were the subjects chosen for the SSP. 50 Students, who were registered in SSP in the previous year, were continued in the second year programme. Three teachers were belonged to the previous year SSP and two new teachers were selected to the programme to handle classes to the needy students.

The first year students were given awareness about the programme in the college. English, Mathematics, Physics, Computer Science, and Economics were the subjects chosen for the SSP. 50 students (10 students per subject) who needed special attention in these subjects were carefully selected. Five new teachers were appointed to handle these subjects. All of them completed 8 classes on 31-12-2015. Teachers completed 8 classes of IInd sem & IVth sem before March 22<sup>nd</sup>, 2016.
