CONNECTIONS (Nature Club) 2016-2017

CONNECTIONS- *Linking Man to Nature*

Activities of the academic year 2016-17 began with World Environment Day on 05-06-2016 by planting sapling in the Butterfly garden.

An environmental quiz was also conducted in connection with World Environment Day. Sumayya P.A. of II DC Chemistry got first prize and Saritha V.K. of III DC Botany got second prize.

On July 13th final year UG students and second semester PG students went for a field trip to Athirapally – Vazhachal forest area.

On 26th October 2016, Mr. Sadananthan and his team from Socio – Forestry Department, Govt. of Kerala, visited the Department of Zoology to mention the different forest club activities that can be initiated in the campus.
