

CANCARE
DEPARTMENT OF ZOOLOGY
2014-2015

Cancers's insidious onset and and potentially devastating out coms have made it one of the most feared diseases of 20th century. However, advances in early diagnosis and tratment helps to decrease the death rate. In order to makean awareness of this condition among students, another club CAN CARE was initiated by the department. Dr. V .P. Gangadharan, Medical Oncologist, Lakeshore Hospital, Cochin provided a Cancer awarenss class on **26-2-2015**.
